|    |                  |                            | adj. | adj. common in or inherent to an enterprise or situation                                       | (问题、情<br>形)常见的      |  |                               |   |
| 9  | minuscule        | /mɪˈnʌsˌkjul/              | adj. | adj. very small and tiny   | 微小的                 | diminutive                             |                               |   |
| 10 | lucrative        | /lukrətɪv/                 | adj. | adj. producing wealth  | 盈利的,赚<br>钱的         |  |                               | Although many novelists write for artistic reasons, others are lured by the money, because popular success in writing can be so <i>lucrative</i> .  |
| 11 | compensate       | /kampen <sub>.</sub> sert/ | V.   | v. to offset an error, defect, or<br>undesired effect  | 弥补                  |  |                               | In order to <i>compensate</i> for the loss of natural wetlands used by migrating snow geese, conservationists in the 1960's and 1970's established wetland refuges in the northern prairies.  |
|    |                  |                            | V.   | v.to serve as or provide a substitute or counter balance                                       | 抵消                  | offset                                 |                               |   |
| 12 | discursive       | /dɪˈskɜrsɪv/               | adj. | adj. moving from topic to topic without order; rambling  | 杂乱无章的               |  |                               |   |
|    |                  |                            | adj. | adj. marked by analytical reasoning  | 理性的                 |  |                               |   |
| 13 | presuppose       | /ˌprisəˈpoʊz/              | V.   | v. to suppose beforehand   | 预先假设                |  |                               |   |
|    |                  |                            | V.   | v. to require as an antecedent in logic or fact  | 假定                  |  |                               |   |
| 14 | intermediary     | /ˌɪntərˈmidiˌɛri/          | n.   | n. / adj. acting as a mediator   | (作为)中<br>间人的        |  |                               |   |
| 15 | derogate         | /dɛrəˌgeɪt/                | V.   | v. to cause to seem inferior   | 贬低                  |  | adj.<br>derogatory<br>贬低的     |   |
| 16 | overbearing      | /ˌoʊvərˈbɛrɪŋ/             | adj. | adj. often trying to control the<br>behavior of other people in an<br>annoying or unwanted way | 霸道总裁儿<br>的          |  |                               |   |
| 17 | zealous          | /zɛləs/                    | adj. | adj. marked by fervent<br>partisanship for a person, a<br>cause, or an ideal                   | 对(某人或<br>偶像)狂热<br>的 | impassioned<br>, fervent,<br>fiery     | n. zealotry                   |   |
| 18 | extraneous       | /ɛkˈstreɪniəs/             | adj. | adj. not important   | 不重要的,<br>不相关的       | irrelevant                             |                               |   |
|    |                  | /ɪkˈstreɪniəs/             | adj. | adj. coming from the outside   | 外部的                 |  |                               |   |
| 19 | rehash           | /riˌhæʃ/                   | V.   | v. to bring forth again in another form without significant alteration                         | (没有实质<br>改变地)重提     | recycle                                |                               | Jerry rehashed his talk on "How to be Confident". He had given this talk before at a university, but now he was presenting it in a slide show to his Business English students.   |
| 20 | perfunctory      | /pərˈfʌŋktəri/             | adj. | adj. acting with indifference, showing little interest or care                                 | 不走心的                | cursory ,<br>casual                    |                               | Manuel was so solitary that he would gladly spend months without more than <b>perfunctory</b> contact with other people.  |
| 21 | compound         | /kam'paund/                | V.   | v. to form by combining separate things  | 混合,合成               |  |                               | The coach asked Ally to miss the next big game because she had already sprained her ankle. He did not want her to compound her injury by exerting unnecessary pressure on her body.   |
|    |                  |                            | V.   | v. to make worse   | 使变糟糕                |  |                               | The instability of the regime, <i>compounded</i> by global economic woes, unfortunately led to a national debacle.  |
| 22 | envy             | /ɛnvi/                     | V.   | v. to feel a desire to have what someone else has  | 嫉妒                  | covet                                  | adj.<br>enviable 令<br>人嫉妒的    |   |

| ID | 英文单词         | 美式音标                 | 词性   | 英文解释  | 中文解释                | 六选二                                 | 相关词                                 | 例句  |
|----|--------------|----------------------|------|---|---------------------|-------------------------------------|-------------------------------------|---|
| 23 | defensive    | /diˈfɛnsɪv/          | adj. | adj. in a situation which you are forced to defend or protect someone or something                            | 被动防守的,防御的           |                                     |                                     |   |
| 24 | unbounded    | /ʌnˈbaʊndɪd/         | adj. | adj. not limited in any way   | 不受限制的               |                                     |                                     | In spite of the internet's almost <i>unbounded</i> space, online culture can seem very narrow, like a single, never-ending episode of America's Funniest Home Videos.   |
| 25 | specious     | /spiʃəs/             | adj. | adj. falsely appearing to be right  | 似是而非的               | artificial,<br>forged,<br>fabricate |                                     |   |
| 26 | aimless      | /eimlis/             | adj. | adj. not having a goal or purpose   | 漫无目的的               |                                     |                                     | discursive  |
| 27 | ingenuous    | /ɪnˈdʒɛnjuəs/        | adj. | adj. having or showing the innocence, trust, and honesty that young people often have                         | 纯朴的,真<br>诚的         | simple                              |                                     | The charlatan's seemingly frank and open demeanor was actually a <i>disingenuous</i> means of enlisting his patient's confidence.   |
| 28 | intrinsic    | /ɪnˈtrɪnsɪk/         | adj. | adj. belonging to the essential nature of a thing   | 核心的,内<br>在的         |                                     |                                     | Gold has <i>intrinsic</i> value, but no one can really put a price on it.   |
| 29 | inevitable   | /inˈɛvɪtəbəl/        | adj. | adj. sure to happen   | 不可避免<br>的,一定发<br>生的 | unavoidable                         |                                     | Consolidating a memory is not instantaneous, after<br>all, or even inevitable. Every memory must be<br>encoded and moved from short-term to long-term<br>storage. Some of those memories are, for whatever<br>reason, more vividly imprinted than others. |
| 30 | intransigent | /tn<br>'trænsədʒənt/ | adj. | adj. completely unwilling to change   | 不妥协的,<br>固执的        | resolute;<br>obduracy               |                                     | The company was so <i>intransigent</i> , so unwilling to change, that it lost any ability to compete in a volatile market.  |
| 31 | detached     | /diˈtæt∫t/           | adj. | adj. not influenced by emotions or personal interest  | 不受感情影<br>响的,公正<br>的 |                                     |                                     | Unlike coworkers who delighted in office gossip, Felicia remained <i>detached</i> , completely indifferent to these matters.  |
|    |              |                      | adj. | adj. not joined or connected  | 脱离的                 |                                     |                                     |   |
| 32 | inveterate   | /ɪnˈvɛtərɪt/         | adj. | adj. always or often happening or existing  | 一贯的                 |                                     |                                     | According to his supervisor, Kenji was an<br>inveterate procrastinator: he put off doing<br>his work until the last minute for nearly every<br>task.  |
|    |              |                      | adj. | adj. always or often doing<br>something specified   | 习惯做的                |                                     |                                     |   |
| 33 | backhanded   | /bækˌhændɪd/         | adj. | adj. oblique or indirect  | 不直接的                |                                     |                                     | Far from being doleful, Agee's letters provide a kind of <b>backhanded</b> encouragement to the young writer.   |
|    |              |                      | adj. | adj. having derogatory or insulting implications  | 含沙射影<br>的,讽刺挖<br>苦的 |                                     |                                     |   |
| 34 | affable      | /æfəbəl/             | adj. | adj. easy and pleasant to speak<br>to   | 和蔼可亲的               | easygoing,<br>cordial,<br>genteel   |                                     | Though friends, Jaelyn and Sean are<br>temperamental opposites: while Jaelyn is<br>outgoing and <b>affable</b> , Sean is usually<br>reserved and aloof.   |
| 35 | whimsy       | /ˈhwɪmzi/            | n.   | n. an unusual, unexpected, or fanciful idea   | 突发奇想                | capriciousne<br>ss                  | whimsical<br>adj. 突发奇<br>想的,多变<br>的 |   |
| 36 | tenacious    | /təˈneɪ∫əs/          | adj. | adj. very determined to do something  | 坚定的                 | resolve;<br>endurance               | n. tenacity                         | His peers respected him because he was both<br>tenacious and diplomatic: steadfast in his beliefs<br>and tactful in his negotiations.   |
|    |              |                      | adj. | adj. continuing for a long time   | 持续的                 |                                     |                                     |   |
| 37 | sardonic     | /sar'danık/          | adj. | adj. scornfully or cynically mocking  | 嘲讽的, 讥<br>笑的        |                                     |                                     |   |
| 38 | skullduggery | /skʌlˈdʌgəri /       | n.   | n. secret or dishonest behavior or activity   | 欺骗,作假               |                                     |                                     | For all its corporate <b>skullduggery</b> , it's hard to deny that Uber has some clever promotions at times.  |
| 39 | legitimate   | /ləˈdʒɪtəmət/        | adj. | adj. being in compliance with the law   | 合法的                 |                                     |                                     |   |
|    |              |                      | adj. | adj. valid or justifiable   | 合理的                 |                                     |                                     |   |
|    |              |                      | V.   | v. to make (something) real,<br>accepted, or official or to show<br>that (something) is fair or<br>reasonable | 使…合理,<br>合法         |                                     |                                     | A sicientist should not automatically reject follways that might at first seem silly or superstitious; scientific qualifications are not a license for smugness nor do they legitimate prejudice or bias.   |
| 40 | plagiarize   | /pleɪdʒəˌraɪz/       | V.   | v. to reproduce or otherwise use as one's own   | 抄袭                  |                                     |                                     | Despite accusations to the contrary, it is<br>unlikely that he intended to <i>plagiarize</i> the<br>articles, since he cited them in his<br>bibliography.   |
| 41 | disavow      | /ˌdɪsəˈvaʊ/          | V.   | v. to say that you are not responsible for  | 否认                  |                                     |                                     |   |
| 42 | deplete      | /diˈplit/            | V.   | v. to use most or all of  | 耗尽                  |                                     | n. depletion                        | The battery life on the new phone was a non-issue. I failed to completely <i>deplete</i> battery throughout the day, in spite of heavy use.   |
| 43 | ridicule     | /rɪdɪˌkjul/          | V.   | v. to laugh at and make jokes<br>about  | 嘲笑,耻笑               |                                     | adj.<br>ridiculous                  | Instead of being celebrated, the plans of John Harrison, one of the world's greatest clock makers, were chastised and <i>ridiculed</i> by his peers.  |
| 44 | undermine    | /ˌʌndərˈmaɪn/        | V.   | v. to make (someone or<br>something) weaker or less<br>effective  | 削弱                  | subvert,<br>impair,<br>undercut     |                                     |   |
| 45 | self-serving | /self'sarvɪŋ/        | adj. | adj. having or showing concern<br>only about your own needs and<br>interests                                  | 自私的                 |                                     |                                     | Professor Fernandez has been dubious about most of the purportedly humanitarian aspects of the colonial government and has insisted that its actions were, on the contrary, <b>self-serving</b> .   |
| 46 | perishable   | /pɛrɪʃəbəl/          | adj. | adj. likely to spoil or decay quickly   | 易消亡的,<br>短暂的        |                                     | v. perish                           |   |

| ID | 英文单词         | 美式音标             | 词性   | 英文解释   | 中文解释          | 六选二  | 相关词                        | 例句   |
|----|--------------|------------------|------|--|---------------|--|----------------------------|--|

| 56 | exemplar     | /ɛgˈzɛmplər/     | n.   | n. a typical example   | 典型            | model  |                            |  |
| 57 | grudge       | /grʌdʒ/          | V.   | v. to be unwilling to give or admit  | 不愿给予或<br>承认   |  |                            | Jason grudged his manager for always being so<br>mean to him and critical of his work. Jason felt like<br>he was being treated unfairly, and this angered him.   |
|    |              |                  | n.   | n. a deep-seated feeling of<br>resentment or rancor  | 怨恨            |  |                            |  |
| 58 | sweeping     | /swipɪŋ/         | adj. | adj. extensive   | 广泛的           |  |                            | From the top of the hill, Brandon could see a sweeping view of the lake. This view included many things: a nearby village, a small island, and even his own house.   |
|    |              |                  | adj. | adj. marked by wholesale and indiscriminate inclusion  | 全面的           |  |                            |  |
| 59 | extirpate    | / ɛkstərˌpeɪt/   | V.   | v. to destroy or remove completely   | 根除            | eliminate  | n.<br>extirpation          | Grevy's zebras have lost about 86 percent of their total population since the 1970s, so it might not take another decade before Grevy's zebras are extipated from their last habitat in Ethiopia.  |
| 60 | parity       | /pærəti/         | n.   | n. equality  | 平等            | equality   |                            |  |
| 61 | utilitarian  | /juˌtɪləˈtɛriən/ | adj. | adj. made to be useful rather than to be decorative or comfortable                                     | 实用的           | functional   |                            |  |
|    |              |                  | adj. | adj. of or relating to utilitarianism  | 功利的,实<br>用主义的 |  |                            |  |
| 62 | elicit       | /iˈlɪsɪt/        | V.   | v. to call forth or draw out   | 引起,           | draw   |                            | Recently, The New York Times <u>published</u> the story of a popular — and illegal — website that let people stream and download movies and television shows at their leisure, which touched a nerve among Times readers, <u>eliciting</u> hundreds of reactions about copyright infringement and intellectual property, and how the digital world complicates both. |
| 63 | beneficial   | /ˌbɛnəˈfɪʃəl/    | adj. | adj. producing good or helpful results or effects  | 有益处的          |  |                            |  |
| 64 | intoxicate   | /inˈtɑksɪˌkeɪt/  | V.   | v. to excite or elate to the point of enthusiasm or frenzy   | 使…陶醉,<br>沉醉   |  |                            | TV broadcasters have become expert in filling the gaps between outbreaks of sport on the field with an <i>intoxicating</i> mix of anticipation, apprehension, and advertising.   |
| 65 | inchoate     | /ɪnˈkoʊɪt/       | adj. | adj. being in a beginning or early stage   | 早期的           |  |                            |  |
|    |              |                  | adj. | adj. imperfectly informed or developed   | (在早期)<br>混乱的  |  |                            |  |
| 66 | rebuff       | /rɪˈbʌf/         | n.   | n. a blunt or abrupt repulse or<br>refusal   | (粗鲁地)<br>回复   |  |                            | Jack proposed very romantically to Rose, who he had been dating for two years. Unexpectedly, however, Rose rebuffed his offer by reflusing to accept the ring and then walking away.   |
|    |              |                  | V.   | v. to reject bluntly, often<br>disdainfully  | (粗鲁地)<br>拒绝   |  |                            |  |
| 67 | construe     | /kənˈstru/       | V.   | v. to understand the meaning of  | 理解            | interpret  | constructio<br>n n. 理解     | Amber could not construe the meaning of the difficult SAT word even after the professor had explained it three times already.  |
| 68 | fallacy      | /fæləsi/         | n.   | n. a false or mistaken idea  | 错误,谬论         |  | adj.<br>fallacious         |  |
| 69 | incremental  | /Inkrəmənt/      | n.   | n. the action or process of increasing especially in quantity or value                                 | 增长            |  | adj.<br>incremental<br>增加的 |  |
| 70 | deteriorate  | /di'tɪriəˌreɪt/  | V.   | v. to make (something) worse   | 恶化            | worsen   | n.<br>deterioratio<br>n 恶化 | Oliver Sacks, the brilliant writer, was diagnosed with<br>cancer a few years ago. Unfortunately, his condition<br>deteriorated very quickly and the doctors could not<br>help him.   |

| ID | 英文单词         | 美式音标                     | 词性   | 英文解释   | 中文解释          | 六选二                             | 相关词                         | 例句   |
|----|--------------|--------------------------|------|--|---------------|---------------------------------|-----------------------------|--|
| 71 | grandiose    | /grændiˌoʊs/             | adj. | adj. impressive because of<br>uncommon largeness, scope,<br>effect, or grandeur                                | 宏伟壮观的         |                                 |                             | Beyonce's birthday party was so grandiose and<br>extravagant. She had white swans fly around and<br>drop handfuls of money onto every dinner table.<br>Everyone was certainly stunned.   |
|    |              |                          | adj. | adj. excessive self-importance or affected grandeur  | 妄自尊大的         |                                 |                             |  |
| 72 | truncate     | /'trʌŋˌkeɪt/             | V.   | v. to make shorter   | 缩短            |                                 |                             | Lessons on Codecademy, a coding education startup, are truncated into very small chunks that can be done in a few minutes. That means people can do quick lessons in CSS while on the run, waiting in line at the grocery story or while on the bus. |
| 73 | haphazard    | /ˌhæpˈhæzərd/            | adj. | adj. having no plan, order, or direction   | 无序的,凌<br>乱的   | helter-<br>skelter;<br>randomly |                             | Batman was moving around in a haphazard manner.<br>He had been badly injured and it was hard for him to<br>walk in a straight line.  |
| 74 | quizzical    | /kwɪzɪkəl/               | adj. | adj. expressive of puzzlement, curiosity, or disbelief   | 好奇而疑惑<br>的    |                                 |                             | A few of the students nodded, but others gave her<br>quizzical looks.  |
| 75 | provincial   | /prəˈvɪn∫əl/             | adj. | adj. limited in outlook  | 眼光狭隘的         | insular                         |                             | Once Emma encountered a wide range of perspectives at college, she began to view her hometown as <i>provincial</i> by contrast.  |
|    |              |                          | adj. | adj. lacking the polish of urban society   | 乡下的           |                                 |                             |  |
| 76 | insensitive  | /ɪnˈsɛnsətɪv/            | adj. | adj. not responsive or susceptible   | 漠视的,不<br>在乎的  |                                 |                             |  |
| 77 | shackle      | /ˈʃækəl/                 | V.   | v. to deprive of freedom especially of action by means of restrictions or handicaps                            | 阻碍            | stifle                          |                             |  |
| 78 | cumbersome   | /knmbersem/              | adj. | adj. unwieldy because of<br>heaviness and bulk   | 笨拙的           | unwieldy                        | cumber v.<br>阻碍,挡路          |  |
| 79 | encomium     | /ɛnˈkoʊmiəm/             | n.   | n. glowing and warmly enthusiastic praise  | 赞美            | tribute                         |                             | Sir John Rose, who delivered his last annual results as boss of Rolls-Royce, deserve the <i>encomiums</i> he receives from the public: he is a truly tremendous business leader.   |
| 80 | decelerate   | /diˈsɛlərˌeɪt/           | V.   | v. to decrease the rate of progress of   | 减缓            |                                 |                             | Intel's <b>decelerated</b> roadmap suggests that the extraordinary pace of improvement in the chip industry is starting to slow down.  |
| 81 | revitalize   | /ri'vaɪtəlˌaɪz/          | V.   | v. to make active, healthy, or energetic again   | 使…复活          |                                 |                             | In her poems, Alice Walker retrieves and <i>revitalizes</i> parts of Black culture that some have been all too quick to consign to the past as fossilized artifacts.   |
| 82 | indisputable | /ˌɪndɪ<br>ˈspjutəbəl/    | adj. | adj. impossible to question or doubt   | 不容置疑的         |                                 |                             |  |
| 83 | roost        | /rust/                   | V.   | v. to settle down for rest or sleep  | 栖息            |                                 |                             | Nightjars posses a camouflage perhaps unparalleled in the bird world: by day they <b>roost</b> hidden in shady woods, so blended with their surroundings that they are nearly impossible to discern.   |
| 84 | corroborate  | /kəˈrɑbəˌreɪt/           | V.   | v. to support with evidence or authority   | 佐证,提供<br>证据证明 |                                 |                             | Scientists' theories about the origin of the universe were later corroborated by solid evidence; this way they could finally demonstrate the validity of their research.   |
| 85 | harsh        | /harʃ/                   | adj. | adj. severe or cruel   | 严厉的,残<br>忍的   |                                 |                             |  |
|    |              |                          | adj. | adj. causing a disagreeable or painful sensory reaction  | 痛苦的           |                                 |                             |  |
| 86 | proclivity   | /proʊˈklɪvəti/           | n.   | n. a strong natural liking for something   | 倾向,偏好         |                                 |                             | If Williams had a fault, it was an almost complete trust in others, a <i>proclivity</i> bordering on naiveté.  |
| 87 | hysteria     | /hɪˈstɛriə/              | n.   | n. a state in which your emotions<br>(such as fear) are so strong that<br>you behave in an uncontrolled<br>way | 情绪失控,<br>举止失常 |                                 |                             |  |
| 88 | speculate    | /spɛkjəˌleɪt/            | V.   | v. to think about something and make guesses about it  | 推测,猜测         | conjecture                      |                             |  |
| 89 | conducive    | /kənˈdusɪv/              | adj. | adj. tending to promote or assist  | 有益的,有<br>帮助的  |                                 |                             |  |
| 90 | vexation     | /vɛkˈseɪ∫ən/             | n.   | n. something that worries or annoys you  | 烦恼            |                                 | adj.<br>vexatious<br>v. vex | Fermat's last theorem has been called the most <i>vexing</i> problem in all mathematics: for over 350 years, the conjecture stymied mathematicians, until it was finally proven in 1995.   |
| 91 | disdain      | /dɪsˈdeɪn/               | V.   | v. to strongly dislike or disapprove of (someone or something)   | 蔑视,鄙视         | opprobrium,<br>contempt         |                             | The architecture of the Shanghai Bund was for decades presented as an archetypal symbol of abhorrent Western influence, which may be one of the reasons that these grand buildings were disdained.   |
| 92 | caterwaul    | /kæter <sub>.</sub> wol/ | V.   | v. to make a very loud and unpleasant sound  | 发出难听的<br>声音   | shriek                          |                             |  |
|    |              |                          | V.   | v. to protest or complain noisily  | 严厉抗议          |                                 |                             | Although a few biologists have lamented  |
| 93 | efficacious  | /ˌɛfɪˈkeɪʃəs/            | adj. | adj. having the power to produce a desired result or effect  | 有效果的          |                                 |                             | annough a few biologists have famelined some minor flaws in this method of classifying specimens, it is nevertheless an <i>efficacious</i> procedure to follow.  |
| 94 | alienate     | /eɪljənˌeɪt/             | V.   | v. to cause (someone) to feel that<br>she or he no longer belongs in a<br>particular group, society, etc.      | 疏远            |                                 | alien adj.<br>陌生的           |  |
|    |              |                          | V.   | v. to cause (someone) to stop<br>being friendly, helpful, etc.,<br>towards you                                 | 使变得不<br>友好    |                                 |                             |  |
| 95 | analgesic    | /ˌænəlˈdʒizɪk/           | n.   | n. a drug that relieves pain   | 止痛药           |                                 |                             |  |

| ID  | 英文单词        | 美式音标            | 词性   | 英文解释   | 中文解释          | 六选二                   | 相关词                                  | 例句   |
|-----|-------------|-----------------|------|--|---------------|-----------------------|--------------------------------------|--|

| 180 | consolidate   | /kənˈsɑləˌdeɪt/       | V.   | v. to make (something, such as a position of power or control) stronger or more secure             | 巩固                                    |                                 | n.<br>consolidati<br>on                                    |   |
| 181 | upheaval      | /ʌpˈhivəl/            | n.   | n. a major change or period of<br>change that causes a lot of<br>conflict, confusion, anger, etc.  | (引起混乱<br>的) 巨变                        |                                 |  | Although other European states broke apart<br>under the stresses of political <i>upheaval</i> , the<br>seventeenth-century Dutch republic proved<br>remarkably resilient.   |
| 182 | unyielding    |                       | adj. | adj. not changing or stopping  | 不妥协的,<br>固执的                          | implacable                      |  |   |
| 183 | mendacious    | /mɛnˈdeɪʃəs/          | adj. | adj. not honest  | 欺骗的,不<br>诚实的                          | prevarication                   | n.<br>mendacity  |   |
| 184 | sonorous      | /səˈnɔrəs/            | adj. | adj. having a sound that is deep,<br>loud, and pleasant  | 声音洪亮的                                 |                                 |  |   |
| 185 | fertile       | /fartel/              | adj. | adj. producing a large amount of something   | 多产的(即<br>可指农作<br>物,也可以<br>指思想、想<br>法) |                                 | n. fertility   | The epic journey by rail has proved <i>fertile</i> ground for writers in the past, and here it serves Greene well as he returns to Russia to try to understand exactly what it is about this maddening country that captured his heart.   |
| 186 | decadent      | /dskədənt/            | adj. | adj. having low morals and a great love of pleasure, money, fame, etc.                             | (思想) 堕<br>落的, 颓废<br>的                 |                                 |  |   |
|     |               |                       | adj. | adj. attractive to people of low<br>morals who are only interested in<br>pleasure                  | 三俗的(庸<br>俗、低俗、<br>媚俗的)                |                                 |  |   |
| 187 | indispensable | /ˌɪndɪ<br>ˈspɛnsəbəl/ | adj. | adj. extremely important and necessary   | 不可缺少的                                 | essential                       |  | Because howler monkeys rarely come out of the trees in their arboreal habitat, the continued well-being of the rain forest is <i>indispensable</i> to their survival  |
| 188 | covert        | /koovert/             | adj. | adj. secret or hidden  | 秘密的,隐<br>蔽的                           | clandestine                     |  | President Reagan's national security adviser said today that <b>covert</b> action in such regions as Central America was increasingly necessary to give the United States an alternative between going to war and doing nothing when a friendly nation is under attack.   |
| 189 | instinct      | /ɪnˌstɪŋkt/           | n.   | n. a natural or inherent aptitude, impulse, or capacity  | 本能                                    |                                 | adj.<br>instinctive<br>本能的                                 |   |
| 190 | discern       | /dɪˈsɜrn/             | V.   | v. to detect or recognize  | 识别,察觉                                 | detect,<br>discover             | adj.<br>discernible<br>可查觉的<br>adj.<br>discerning<br>有洞察力的 | Because elephants can hear sounds at frequencies too low for human ears, they can communicate in ways that humans cannot directly discern.  |
| 191 | orientation   | /ˌɔriɛnˈteɪʃən/       | n.   | n. a usually general or lasting<br>direction of thought, inclination, or<br>interest               | 取向,态度                                 | bias                            |  |   |
|     |               |                       | n.   | n. the relative position or direction of something   | 方向                                    |                                 |  |   |
| 192 | riddle        | /ridəl/               | n.   | n. a mystifying, misleading, or<br>puzzling question posed as a<br>problem to be solved or guessed | 难题,谜题                                 | enigma,<br>puzzle,<br>conundrum |  | a riddle wrapped in a mystery   |
| 193 | jejune        | /dʒɪˈdʒun/            | adj. | adj. not interesting   | 无聊的                                   | vapid                           |  | Many people claim to find celebrity gossip <i>jejune</i> ,<br>but ask them about a recent movie star scandal and<br>chances are they know all about it.   |
| 194 | clownish      |                       | adj. | adj. acting in a silly or funny way  | 小丑般的,<br>滑稽的                          |                                 |  |   |
| 195 | indifferent   | /ɪnˈdɪfərənt/         | adj. | adj. not interested in or concerned about something  | 漠不关心的                                 | apathy                          |  |   |
|     |               |                       | adj. | adj. neither good nor bad  | 平庸的                                   |                                 |  | In addition to early and late risers, there are also  |
| 196 | lethargic     | /lɪˈθɑrdʒɪk/          | adj. | adj. feeling a lack of energy or a<br>lack of interest in doing things                             | 漠不关心<br>的,缺乏热<br>情的                   | somnolent                       |  | people who feel energetic in both the mornings and evenings, as well as people who feel <i>lethargic</i> all day.   |
| 197 | clique        | /klik/                | n.   | n. A small exclusive group of friends or associates  | 小团体                                   |                                 | cliquish adj.<br>小团体的,<br>分帮结派的                            | In adolescence, peer interactions are crucial in forging a self-identity. To be sure, this process often plays out in <b>cliquish</b> social behavior: as a means of defining and shoring up the sense of self, kids will seek out like-minded peers and spurn others who seem foreign. But when kept within reasonable bounds the in-group clustering generally evolves into a more mature friendship pattern. |
| 198 | fungible      | /fʌndʒəbəl/           | adj. | adj. interchangeable or replaceable  | 可替代的                                  | interchange<br>able             |  | Many professionals believe in their unquestioning value and importance, but they are usually mistaken: all professionals are <i>fungible</i> .  |
| 199 | complimentary | /ˌkɑmplə<br>ˈmɛntəri/ | adj. | adj. expressing praise or<br>admiration for someone or<br>something                                | 赞美的                                   |                                 | n.<br>compliment   |   |
|     |               |                       | adj. | adj. given for free  | 免费的                                   |                                 |  |   |

| ID  | 英文单词          | 美式音标            | 词性   | 英文解释  | 中文解释           | 六选二                       | 相关词  | 例句   |
|-----|---------------|-----------------|------|---|----------------|---------------------------|--|--|

|     |               |                 | V.   | v. to make larger or greater  | 夸大             |                           |  |  |
| 226 | exaggerate    | /ɛgˈzædʒərˌeɪt/ | v.   | v. to make (something) larger or greater than norma   | 夸大             | overrate                  | n.<br>exaggeratio<br>n                       |  |

| ID  | 英文单词          | 美式音标            | 词性   | 英文解释  | 中文解释          | 六选二                             | 相关词                         | 例句  |
|-----|---------------|-----------------|------|---|---------------|---------------------------------|-----------------------------|---|
| 227 | unwitting     | /ʌnˈwɪtɪŋ/      | adj. | adj. not aware of what is really happening  | 不知情的,<br>无意识的 |                                 |                             |   |
|     |               |                 | adj. | adj. not intended or planned  | 无心的           |                                 |                             |   |
| 228 | inclusive     | /ɪnˈklusɪv/     | adj. | adj. broad in orientation or scope  | 广泛的,全面<br>的   | generic                         |                             |   |
|     |               |                 | adj. | adj. not limited to certain people  | 开放的           |                                 |                             |   |
| 229 | diatribe      | /daɪəˌtraɪb/    | n.   | n. an angry and usually long<br>speech or piece of writing that<br>strongly criticizes someone or<br>something  | 长篇痛骂          | rant                            |                             | The manager's <i>diatribe</i> shocked her employees, who neither expected nor deserved such bitter, abusive language.   |
| 230 | promulgate    | /pramel_gert/   | V.   | v. to make (an idea, belief, etc.)<br>known to many people  | 传播            |                                 |                             | The religious government spent a lot of effort in<br>promulgating the new set of religious laws. They<br>needed to make sure that every person in the<br>country understood what these laws were, and the<br>harsh consequences of disobeying.                              |
|     |               |                 | V.   | v. to make (a new law) known officially and publicly  | 颁布 (法<br>律)   |                                 |                             |   |
| 231 | consilience   |                 | n.   | n. the linking together of principles from different disciplines especially when forming a comprehensive theory | 一致,符合         |                                 |                             |   |
| 232 | ebullient     | /iˈbʊljənt/     | adj. | adj. lively and enthusiastic  | 热情洋溢的         |                                 |                             | Although usually warm and cordial in greeting friends, Lauren was too reserved ever to be truly <i>ebullient</i> .  |
| 233 | bolster       | /boulster/      | V.   | v. to give support to   | 支持            | buttress,<br>prop up            |                             | The testimony of the witness, meant to <b>bolster</b> the defense of the man accused of theft, actually strengthened the case of his accusers.  |
| 234 | dispute       | /dr'spjut/      | V.   | v. to engage in argument or oppose  | 争辩,反对         |                                 |                             |   |
| 235 | exposition    | /ˌɛkspəˈzɪ∫ən/  | n.   | n. clear explanation  | 阐释,解释         |                                 |                             | The man's exposition of his actions did not persuade<br>his girlfriend to stay with him. Although his<br>explanation was very clear, his girlfriend could not<br>accept what he had done.   |
|     |               |                 | n.   | n. a public show or exhibition  | 展出            |                                 |                             |   |
| 236 | startling     |                 | adj. | adj. very surprising, shocking, or frightening  | 令人惊讶的         |                                 |                             |   |
| 237 | coddle        | /kadəl /        | v.   | v. to treat (someone) with too<br>much care or kindness   | 溺爱            |                                 |                             |   |
| 238 | nuance        | /nuˌans/        | n.   | n. a very small difference in color,<br>tone, meaning, etc.   | 小差异           | subtle                          |                             | The singer displays her sensitivity to delicate shades of meaning and feeling in the recording: her performance is a model of <i>nuance</i> .   |
| 239 | peculiar      | /pɪˈkjuljər/    | adj. | adj. not usual or normal  | 不寻常的          |                                 |                             |   |
| 240 | uncontested   |                 | adj. | adj. not contested  | 无异议的,<br>无竞争的 |                                 |                             |   |
| 241 | egalitarian   | /i_gæleˈtɛriən/ | adj. | adj. aiming for equal wealth,<br>status, etc., for all people   | 平等的           |                                 |                             | It is hard for an egalitarian society to truly exist<br>because there will always be small differences<br>between people, such as income. Thus, it is nearly<br>impossible for everyone to be perfectly equal to each<br>other.   |
| 242 | propitiate    | /proʊˈpɪʃiˌeɪt/ | V.   | v. to make (someone) pleased or<br>less angry by giving or saying<br>something desired                          | 安抚            |                                 |                             |   |
| 243 | futile        | /fjutəl/        | adj. | adj. pointless or useless   | 无用的           | fruitless;<br>pointlessnes<br>s | n. futility                 |   |
| 244 | urgent        | /ardʒənt/       | adj. | adj. very important and needing immediate attention   | 紧急的           |                                 |                             |   |
| 245 | unassuming    | /ˌʌnəˈsumɪŋ/    | adj. | adj. not having or showing a desire to be noticed, praised  | 谦虚的,低<br>调的   | modest,<br>humble               |                             | Doug was both perspicacious and <i>unassuming</i> : he possessed penetrating acuity and discernment and was also extremely humble.  |
| 246 | amicable      | /æmɪkəbəl/      | adj. | adj. showing a polite and friendly desire to avoid disagreement and argument                                    | 和善的           |                                 |                             |   |
| 247 | unfounded     | /ʌnˈfaʊndɪd/    | adj. | adj. lacking a sound basis  | 毫无根据的         | groundless,<br>unwarranted      |                             |   |
| 248 | plastic       | /plæstik/       | adj. | adj. not real or sincere  | 虚假的,不真诚       |                                 |                             | As people watched Jerry Brown and Bill Clinton campaign for votes in the Pennsylvania, they felt the speeches, interviews, smiles, even policies were plastic. No wonder millions said they preferred none of the above to the presidential candidates available this year. |
|     |               |                 | adj. | adj. capable of being made into different shapes  | 可塑的           | malleable                       |                             | The new composite material exhibits an extraordinary degree of <b>plasticity</b> , which enables it to be molded into almost any shape.   |
| 249 | apocalypse    | /əˈpɑkəˌlɪps/   | n.   | n. a great disaster   | 大灾难           |                                 | adj.<br>apocalyptic<br>灾难性的 |   |
| 250 | authoritative | /əˈθɔrəˌteɪtɪv/ | adj. | adj. clearly accurate or knowledgeable  | 权威的,可<br>信的   | definitive,<br>cogent           |                             |   |
| 251 | clamorous     | /klæmərəs/      | adj. | adj. noisily insistent  | 吵吵闹闹的         |                                 |                             |   |
| 252 | placate       | /pleɪˌkeɪt/     | v.   | v. to cause (someone) to feel less<br>angry about something   | 安抚            | appease,<br>conciliatory        | adj.<br>implacable          | It is not wise to attempt to <i>placate</i> aggressive groups; the more concessions your make, the more they will demand.   |
| 253 | far-reaching  | /farˈritʃɪŋ/    | adj. | adj. having a wide range or effect  | 影响广泛的         |                                 |                             |   |

| ID  | 英文单词          | 美式音标                 | 词性   | 英文解释   | 中文解释                | 六选二   | 相关词                       | 例句   |

| 284 | pervasive     | /pər'veɪsɪv/               | adj. | adj. existing in or spreading through every part of something   | 广泛的,蔓<br>延的                      | rife   |                        |   |
| 285 | offset        | /ofˌsɛt/                   | V.   | v. to cancel or reduce the effect of (something)  | 抵消                               | compensate                                   |                        |   |
| 286 | omnipresent   | /ˌamnɪˈprɛzənt/            | adj. | adj. present everywhere<br>simultaneously   | 处处都有的                            | ubiquitous,<br>universal                     |                        | In seventeenth-century New England, religious<br>leaders constantly warned people about the Devil's<br>omnipresence. They believed that the Devil could be<br>anywhere at anytime, even waiting just around the<br>corner.  |
| 287 | entangle      | /ɪnˈtæŋgəl/                | V.   | v. to cause (something) to get<br>caught <i>in</i> or twisted <i>with</i><br>something else   | 纠缠                               |  | n.<br>entangleme<br>nt |   |
|     |               |                            | V.   | v. to get (someone) involved in a confusing or difficult situation  | 使…卷入困<br>境                       |  |                        |   |
| 288 | dilatory      | /dɪləˌtɔri /               | adj. | adj. tending or intended to cause delay   | 拖延的                              | remiss                                       | v. dilate 拖<br>延       | The senator never formally declared her opposition to the proposed legislation; instead, she engineered a series of <i>dilatory</i> actions that ultimately forestall passage of the bill.  |
| 289 | generic       | /dʒəˈnɛпк/                 | adj. | adj. having no particularly distinctive quality or application  | 普通的,通<br>用的                      | inclusive                                    |                        |   |
| 290 | sensational   | /sɛnˈseɪʃənəl/             | adj. | adj. exceedingly or unexpectedly excellent or great   | 极好的                              |  |                        | The medical study shuns <b>sensationalism</b> in describing the drug's dangers; the appeal is to rational evaluation rather than to fear.   |
|     |               |                            | adj. | adj.causing very great excitement or interest with shocking details   | (通过可怕<br>的细节)令人<br>兴奋的,骇<br>人听闻的 | daunting,luri<br>d                           |                        |   |
| 291 | explicable    | / ɛksplɪkəbəl/             | adj. | adj. possible to explain  | 可以解释的                            |  | v. explicate<br>解释     |   |
| 292 | pernicious    | /pərˈnɪ∫əs/                | adj. | adj. causing great harm or<br>damage often in a way that is not<br>easily seen or noticed   | 有害的,致<br>命的                      |  |                        | The deterioration of the ozone layer is<br>pernicious, with the loss of penguin habitats<br>being just one of the deleterious results.  |
| 293 | convoluted    | /kanve <sub>.</sub> lutid/ | adj. | adj. very complicated and difficult to understand   | 难懂的,复<br>杂的                      | intricate,<br>tortuous                       |                        | Writing in a straightforward as opposed to<br>convoluted style, the author produced a lucid<br>argument that shed new light on a controversial<br>topic.  |
| 294 | bureaucracy   | /bjʊˈrɑkrəsi/              | n.   | n. a system of government or<br>business that has many<br>complicated rules and ways of<br>doing things   | 官僚机构                             |  |                        |   |
| 295 | widespread    | /waɪdˌsprɛd/               | adj. | adj. common over a wide area or among many people   | 广泛的                              | extensive,<br>prevalent                      |                        |   |
| 296 | compliant     | /kəmplaɪənt/               | adj. | adj.ready and willing to comply   | 顺从的,迎<br>合的                      | tractable                                    | v. comply<br>顺从,遵守     | During decades of oppression, the people lost their will to resist and became <i>compliant</i> , yielding readily to the government's demands.  |
| 297 | trifling      | /traɪflɪŋ/                 | adj. | adj. having little value or importance  | 不重要的                             | minimal                                      |                        |   |
| 298 | compunction   | /kəmˈpʌŋk∫ən/              | n.   | n. a feeling of guilt or regret   | 后悔感,犯<br>罪感                      |  |                        | Sally, thoroughly convinced of her own importance, often acts without compunction: she feels no guilt, for example, about appropriating her brother's possessions.  |
| 299 | cynical       | /sınıkəl/                  | adj. | adj. believing or showing the<br>belief that people are motivated<br>chiefly by base or selfish<br>concerns   | 怀疑他人动<br>机不纯的                    |  |                        |   |
| 300 | pretentious   | /priˈtɛnʃəs/               | adj. | adj. having or showing the<br>unpleasant quality of people who<br>want to be regarded as more<br>impressive, successful, or<br>important than they really are | 炫耀的                              |  |                        | With Senator John Kerry's selection of her husband as his running mate, Mrs. Edwards is emerging as a forthright and <i>unpretentious</i> spirit on the hustings, a campaigner who talks freely about coloring the gray out of her hair and struggling with her weight. |
| 301 | customary     | /kʌstəˌmɛri/               | adj. | adj. usual or typical of a particular person  | 惯常的                              |  |                        |   |
| 302 | vilify        | /vɪləˌfaɪ/                 | V.   | v. to utter slanderous and abusive<br>statements against  | 诽谤,辱骂                            | neglect,<br>ignore,<br>overlook,beli<br>ttle |                        |   |
| 303 | tantamount    | /tænteˌmaʊnt/              | adj. | adj. equal to something in value, meaning, or effect  | (数量,效<br>果)相当的                   | synonymous<br>with                           |                        |   |
| 304 | unflinching   | /ʌnˈflɪntʃɪŋ/              | adj. | adj. staying strong and<br>determined even when things are<br>difficult   | 坚定的,不<br>退缩的                     |  |                        |   |
|     |               |                            | adj. | adj. looking at or describing<br>something or someone in a very<br>direct way   | (表达)直白的                          |  |                        |   |
| 305 | cowardice     | /kaʊərˌdɪs/                | n.   | n. lack of courage or resolution  | 胆小                               |  |                        |   |
| 306 | prototype     | /proute,tarp/              | n.   | n. a standard or typical example  | 典型                               |  |                        |   |

| ID     | 英文单词         | 美式音标                    | 词性   | 英文解释  | 中文解释                 | 六选二                              | 相关词                      | 例句   |
|--------|--------------|-------------------------|------|---|----------------------|----------------------------------|--------------------------|--|
| П      |              |                         | n.   | n. an original model on which something is patterned  | 原型                   |                                  |                          |  |
| 307    | equanimity   | /ˌɛkwəˈnɪməti/          | n.   | n. calm emotions when dealing<br>with problems or pressure  | 平静,镇定                |                                  |                          | The movie star's often infuriating behavior on the set had few lasting effects: he was so adept at defusing his colleagues' irritation with a joke that he easily restored their <i>equanimity</i> .   |
| 308    | espouse      | /ɛˈspaʊz/               | V.   | v. to express support for (a cause, belief, etc.)   | 支持                   | advocate,<br>defend,<br>champion |                          | Aware that his party's harsh image was a direct result of its distasteful polices, the candidate <i>espoused</i> a kinder, more benevolent, political platform.  |
| 309    | inattention  | /ˌɪnəˈtɛnʃən/           | n.   | n. failure to carefully think about,<br>listen to, or watch someone or<br>something                       | 不留心,不注意              |                                  |                          |  |
| 310    | fractious    | /fræk∫əs/               | adj. | adj. irritable or peevish   | 易怒的                  |                                  |                          |  |
|        |              |                         | adj. | adj. inclined to make trouble   | 爱惹事的,<br>不服管的        | restive,<br>skittish             |                          |  |
| 311    | disorganize  | /dɪsˈɔrgəˌnaɪz/         | V.   | v. to destroy or interrupt the<br>orderly structure or function of  | 打乱,破坏                |                                  |                          |  |
| 312    | figurative   | /fɪgjʊrəˌtɪv/           | adj. | adj. showing people and things in a way that resembles how they really look                               | 比喻的,形象<br>的          | symbolic                         |                          |  |
| 313    | entail       | /ɛnˈteɪl/               | V.   | v. to have (something) as a part,<br>step, or result  | 包括,包含                |                                  |                          | China's membership in the WTO entails a commitment to participating in international conferences and efforts to achieve a better mutual understanding. As a result of China's entrance in this economic institution, the leadership had to make several changes to its foreign policy. |
| 314    | impeccable   | /ɪmˈpɛkəbəl/            | adj. | adj. having no flaws  | 无懈可击的                |                                  |                          | James's impeccable conduct impressed the school principal, who praised his exemplary and honest character.   |
| 315    | stifle       | /starfel/               | V.   | v. to not allow yourself to do or<br>express (something)  | 抑制                   | shackle                          |                          | Francis learned that by <b>stifling</b> his anger and resentment, and so avoiding conflict, he could overcome opponents more successfully than could those who openly defied their adversaries.  |
|        |              |                         | V.   | v. to kill by depriving of oxygen   | 使窒息                  |                                  |                          | Manufa avanuacija akijuda waa aykamali.  |
| 316    | pragmatic    | /prægˈmætɪk/            | adj. | adj. practical  | 实际的                  | realist                          |                          | Mary's pragmatic attitude was extremely<br>appreciated by her colleagues. In fact, every one<br>envied her ability to solve problems with such a<br>proactive and firm approach.   |
| 317    | didactic     | /darˈdæktɪk/            | adj. | adj. designed or intended to teach people something   | 用于教育他<br>人的, 说教<br>的 | preachy                          |                          |  |
| 318    | dazzle       | /dæzəl/                 | V.   | v. to greatly impress or surprise<br>(someone) by being very<br>attractive or exciting                    | 使…目眩,<br>使…惊叹        |                                  |                          | The celebrants at the lavish party for Cinco De Mayo were understandably <i>dazzled</i> by the spectacle of the mariachi banks and the colorful pinatas of the children.   |
| 319    | stalwart     | /stolwert/              | adj. | adj. loyal and resolute   | 坚定的,忠<br>诚的          |                                  |                          | Wuyong remained a very stalwart employee in the company, because he has been with the company for years already, and has always been loyal to the CEO, promising to serve the company for his entire life.   |
|        |              |                         | adj. | adj. strong and imposing  | 结实的,强<br>壮的          |                                  |                          |  |
| 320    | archaic      | /arˈkeπk/               | adj. | adj. old and no longer used   | 过时的                  | antediluvian,<br>outdated        |                          |  |

|     |                  |                        | adj. | adj. lasting a short time   | 短暂的                           |                            |                   |   |
|     |                  |                        | adj. | adj. having a rapid onset and following a short but severe course   | 急性的                           | severe                     |                   |   |
|     |                  |                        | adj. | adj. reacting readily to stimuli or impressions   | 敏感的                           |                            |                   | Elephants have a sense of smell that is remarkably <i>acute</i> : they can reportedly smell water up to several miles away.   |
| 462 | resent           | /rɪˈzɛnt/              | V.   | v. to be angry or upset about<br>(someone or something that you<br>think is unfair)   | 憎恨,生气                         |                            | adj.<br>resentful | In Dorothy West's novel <i>The Living Is Easy</i> , the main character feels limited by her father's authority, <i>resenting</i> his attempts to check her independence.  |
| 463 | delightful       | /drˈlaɪtfəl/           | adj. | adj. highly pleasing  | (形容事<br>物)令人愉<br>悦的,令人<br>高兴的 |                            |                   | Readers who find rarefied words delightful cannot help but be entranced by the esoteric lexicon Annie Dillard expertly wields in her novel <i>The Maytrees</i> .  |
| 464 | decisive         | /di'saɪsɪv/            | adj. | adj. resolute or determined   | 果决的,坚<br>定的                   |                            |                   | Never an absolutist, but tending instead to see both sides of an issue, the senator was considered <i>indecisive</i> by those who did not know her well.  |
|     |                  |                        | adj. | adj. determining what the result of something will be   | 决定性的                          |                            |                   |   |
|     |                  |                        | adj. | adj. very clear and obvious   | 明显的                           | unmistakabl<br>e           |                   |   |
| 465 | testimony        | /teste mouni/          | n.   | n. proof or evidence that<br>something exists or is true  | 证词,证据                         |                            |                   |   |
| 466 | nominal          | /namənəl/              | adj. | adj. existing as something in name only   | 名义上的                          |                            |                   | The movie, Star Wars: The Force Awakens, is a great example of "money illusion," the human tendency to take nominal prices more seriously than actual value: the nominal record strikes people as more interesting and important than the inflationadjusted rankings. |
|     |                  |                        | adj. | adj. very small in amount   | 微不足道的                         |                            |                   |   |
| 467 | simultaneous     | /sarməl<br>'terniəs/   | adj. | adj. happening at the same time   | 同时的                           |                            |                   |   |
| 468 | monotonous       | /məˈnɑtənəs/           | adj. | adj. tediously uniform or unvarying   | 单调的                           | repetitive                 |                   | The candidate responded to the <i>monotony</i> of campaigning by being droll, relieving the tedium with her wry sense of humor.   |
| 469 | divination       | /ˌdɪvəˈneɪʃən/         | n.   | n. a prediction uttered under divine inspiration  | 预言,占卜                         |                            |                   |   |
| 470 | virtuosity       | /ˌvɜrtʃuˈɑsəti/        | n.   | n. great ability or skill shown by a musician, performer, etc.  | 精湛的技艺                         |                            |                   |   |
| 471 | manifest         | /mænəˌfɛst/            | adj. | adj. easy to understand or<br>recognize   | 显然的,明<br>显的                   | obvious,<br>self-evident   |                   |   |
|     |                  |                        | V.   | v. to show (something) clearly  | 清晰地展<br>示,显露出                 | reveal                     |                   |   |
| 472 | purview          | /ˈpɜrˌvju/             | n.   | n. an area within which someone or something has authority, influence, or knowledge   | 视野                            |                            |                   | The new rule on no gum chewing only applies to the<br>purview of this school. When students walk outside<br>the school's borders, they are free to do whatever<br>they please.  |
| 473 | annex            | /əˈnɛks/               | v.   | v. to add to something earlier,<br>larger, or more important  | 附加                            |                            |                   |   |
|     |                  |                        | v.   | v. to incorporate (a country or<br>other territory) within the domain<br>of a state   | 吞并国家                          |                            |                   |   |
| 474 | shriek           | /∫rik/                 | V.   | v. to make a loud, high-pitched cry   | 叫喊,尖叫                         | caterwaul                  |                   |   |
| 475 | ephemeral        | /ɛˈfɛmərəl/            | adj. | adj. lasting for a markedly brief time  | 短暂的                           | short-lived,<br>transitory |                   |   |
| 476 | erudite          | /ɛrjuˌdaɪt /           | adj. | adj. having or showing knowledge that is learned by studying  | 博学的                           | learned                    |                   | Because Russell was such a memorable and adroit public speaker, many people mistook his ability to talk about a wide range of topics for genuine <i>erudition</i> .   |
| 477 | plague           | /pleɪg/                | V.   | v. to cause worry or distress to  | 困扰                            |                            |                   | Despite his brilliant career, Gerald was<br>plagued by doubts and could not dispel his<br>feeling of inferiority.   |
|     |                  |                        | n.   | n. a disease that causes death<br>and that spreads quickly to a<br>large number of people   | 瘟疫,灾害                         |                            |                   |   |
| 478 | counterintuitive | /kaunterin<br>'tuitiv/ | adj. | adj. not agreeing with what seems right or natural  | 违反常理<br>的,与直觉<br>相反的          |                            |                   |   |
| 479 | intriguing       | /ɪnˈtrigɪŋ/            | adj. | adj. extremely interesting  | 非常有趣的                         | fascinating                |                   |   |
| 480 | magnanimous      | /mæg<br>'nænəməs/      | adj. | adj. having or showing a<br>generous and kind nature  | 大度的, 慷<br>慨的                  | generous                   |                   | Because the congresswoman has been so<br>openhanded with many of her constituents, it is<br>difficult to reconcile this <i>magnanimity</i> with her<br>private pettiness.   |
| 481 | untether         | /ʌnˈtɛðər/             | V.   | v. to free from or as if from a tether  | 释放,脱离                         | divorce                    |                   |   |
| 482 | formulaic        | /ˌfɔrmjuˈleɪɪk/        | adj. | adj. containing or made from<br>ideas or expressions that have<br>been used many times before and<br>are therefore not very new or<br>interesting | 刻板的,俗<br>套的                   | canned                     |                   | While the movie employs stock characterizations, admirers argue that it is even if its depiction are <i>formulaic</i> .   |
| 483 | gambit           | /gæmbɪt/               | n.   | n. a calculated move  | 计谋, 策略                        |                            |                   |   |
| 484 | vivacious        | /varˈveɪʃəs/           | adj. | adj. happy and lively in a way that is attractive   | 活力四射的                         |                            | vivacity n.<br>活力 | In this film, the dull rhetoric and plodding behavior of the hero make him a splendid foil for the witty and <i>vivacious</i> heroine.  |

| ID  | 英文单词         | 美式音标                 | 词性   | 英文解释   | 中文解释                | 六选二                               | 相关词                  | 例句   |
|-----|--------------|----------------------|------|--|---------------------|-----------------------------------|----------------------|--|
| 485 | stratify     | /stræte_faɪ/         | V.   | v. to divide or arrange into classes, castes, or social strata   | 分层级                 | hierarchical                      |                      |  |
| 486 | exceptional  | /ɛkˈsɛp∫ənəl/        | adj. | adj. not usual   | 不寻常的                | preternatural                     |                      |  |
|     |              |                      | adj. | adj. better than average   | 杰出的,超<br>常的         |                                   |                      |  |
| 487 | slump        | /slʌmp/              | V.   | v. to decrease suddenly and by a large amount  | 急速下跌                |                                   |                      | During the recent drought in California, housing<br>prices slumped in certain parts of the state. Homes<br>were not selling well in these areas, so sellers had to<br>lower their asking prices.   |
| 488 | pessimistic  | /ˌpɛsəˈmɪstɪk/       | adj. | adj. having or showing a lack of hope for the future   | 悲观的                 |                                   |                      |  |
| 489 | dilute       | /drˈlut/             | V.   | v. to lessen the strength of<br>(something)  | 削弱,减轻               |                                   |                      | The instructions on the bottle were clear: the medicine needed to be diluted in water before consumption.  |
|     |              |                      | V.   | v. to make thinner or less strong<br>by adding water or another liquid   | 稀释                  |                                   |                      |  |
| 490 | palatable    | /pælɪtəbəl/          | adj. | adj. having a pleasant or<br>agreeable taste   | 美味的                 | appetizing                        |                      | Jim did not find sushi palatable because he hated the taste of fish - both cooked and raw.   |
|     |              |                      | adj. | adj. pleasant or acceptable to someone   | 称心如意的               |                                   |                      |  |
| 491 | stagnate     | /stæg.nert/          | V.   | v. to stop developing, progressing, moving, etc.   | 停滞                  |                                   | adj.<br>stagnant     |  |
| 492 | esoteric     | /ˌɛsəˈtɛrɪk/         | adj. | adj. difficult to understand   | 难懂的                 | arcane;<br>recondite;<br>abstruse |                      | Johnson's writing is considered <i>esoteric</i> and arcane, because it is filled with obscure references and baffling digressions.   |
| 493 | befuddle     | /biˈfʌdəl/           | V.   | v. to confuse  | 使困惑                 |                                   |                      |  |
| 494 | deliberate   | /dr'libərit/         | V.   | v. to think about or discuss<br>something very carefully in order<br>to make a decision                                | 深思熟虑                | calculation                       |                      | Writing letters by hand requires more<br>deliberation than firing off an angry e-mail,<br>and by encouraging reflection, letters are<br>likely to be less intemperate than e-mails.  |
|     |              |                      | adj. | adj. done or said in a way that is planned or intended   | 故意的                 |                                   |                      |  |
| 495 | antithesis   | /æn'tr0əsis/         | n.   | n. the exact opposite of<br>something or someone   | 相反,对立               |                                   | adj.<br>antithetical |  |
| 496 | valediction  | /ˌvæləˈdɪk∫ən/       | n.   | n. an act of bidding farewell  | 告别                  |                                   | adj.<br>valedictory  |  |
| 497 | hamstring    | /ˈhæmˌstrɪŋ/         | V.   | v. to damage or ruin the force or<br>effectiveness of (something or<br>someone)  | 损坏                  | impair                            |                      |  |
| 498 | complacent   | /kəmˈpleɪsənt/       | adj. | adj. marked by self-satisfaction<br>especially when accompanied by<br>unawareness of actual dangers or<br>deficiencies | 自我感觉良<br>好的,自满<br>的 |                                   |                      | Although Lamar was already years old and still<br>unmarried, unemployed, and living with his mom, he<br>felt complacent with his life. He did not feel the need<br>to change his situation, because he believed his<br>situation was acceptable. |
| 499 | hinder       | /hɪndər/             | V.   | v. to make (something, such as a task or action) slow or difficult   | 阻碍                  | inhibit, block                    |                      |  |
| 500 | formidable   | /formedebel/         | adj. | adj. causing fear, dread or apprehension   | 恐怖的,可<br>怕的         | daunting                          |                      |  |
|     |              |                      | adj. | adj. tending to inspire awe or wonder  | 令人惊叹的               |                                   |                      |  |
|     |              |                      | adj. | adj. very difficult to deal with   | 艰巨的                 |                                   |                      |  |
| 501 | impenetrable | /ɪmˈpɛnɪtrəbəl/      | adj. | adj. impossible to understand  | 难懂的                 |                                   |                      | Because postmodernist critics often rely on esoteric<br>language, their prose frequently seems<br>impenetrable to nonspecialists who fail to<br>comprehend its meaning.  |
|     |              |                      | adj. | adj. incapable of being<br>penetrated or pierced   | 无法穿透的               |                                   |                      |  |
| 502 | obtrude      | /əbˈtrud/            | V.   | v. to force or impose (as oneself<br>or one's ideas) without warrant or<br>request                                     | 强迫                  |                                   |                      |  |
|     |              |                      | V.   | v. to thrust out   | 挤出                  |                                   |                      |  |
| 503 | debunk       | /diˈbʌŋk/            | V.   | v. to show that something (such as a belief or theory) is not true   | 拆穿,揭<br>露 的错误       |                                   |                      | A few years ago popular TV shows started debunking famous myths. Their success started when they proved that Yeti was not real.  |
| 504 | umbrage      | /nmbridʒ/            | n.   | n. a feeling of being offended by what someone has said or done  | 生气,不悦               |                                   |                      |  |
| 505 | affinity     | /əˈfɪnɪti/           | n.   | n. a liking for or an attraction to something  | 倾向,偏好               |                                   |                      |  |
| 506 | ramification | /ˌræməfɪ<br>ˈkeɪ∫ən/ | n.   | n. something that is the result of something else  | 结果,后果               |                                   |                      | Being a criminal lawyer is difficult work. Although criminal lawyers have to serve the best interests of their clients, any illegal behavior will result in severe ramifications, such as a suspension of their licenses.                        |
|     |              |                      | n.   | n. branch  | 分支                  |                                   |                      |  |
| 507 | immerse      | /rˈmɜrs/             | V.   | v. to put (something) in a liquid so<br>that all parts are completely<br>covered                                       | 浸润,浸泡               |                                   |                      | Some medieval European painters saw iniquity all around them: they felt that the visible world was <i>immersed</i> in sin.   |
|     |              |                      | V.   | v. to make (yourself) fully involved in some activity or interest  | 全心沉浸<br>在…中         |                                   |                      |  |
| 508 | demise       | /diˈmaɪz/            | n.   | n. / v.to die  | 死亡, 灭亡              |                                   |                      | The cause of Mozart's <i>demise</i> is a long-standing medical enigma: over the years, physicians have suggested more than 100 possibilities, including poisoning, malnutrition, kidney disease, and hear failure.                               |
|     |              |                      | V.   | v. to transmit by succession or inheritance  | 让位                  |                                   |                      |  |

| ID  | 英文单词          | 美式音标            | 词性   | 英文解释   | 中文解释                 | 六选二  | 相关词                       | 例句   |

| 691 | symbiosis     | /ˌsɪmbaɪˈoʊsɪs/      | n.   | n. a cooperative relationship (as between two persons or groups)                             | 团结                    |  | adj.<br>symbiotic   |  |
| 692 | horrific      | /hɔˈrɪfɪk/           | adj. | adj. causing horror or shock   | 可怕的                   |  |                     |  |
| 693 | multitudinous | /ˌmʌltə<br>'tudənəs/ | adj. | adj. very many   | 很多的                   |  |                     |  |
| 694 | downplay      | /daʊnˌpleɪ/          | V.   | v. to make (something) seem<br>smaller or less important                                     | 轻描淡写                  |  |                     | The shrewd dictator publicized the prosperity<br>of one small village in order to downplay the<br>magnitude of the economic hardships that<br>plagued most of his country.   |
| 695 | purport       | /pɜrˈpɔrt/           | n.   | n. meaning conveyed, professed, or implied   | 中心思想                  |  |                     | Arielle purported to be a talented singer, but when<br>she opened her mouth to sing the national anthem,<br>everyone was surprised to hear many cracks in her<br>off-tune voice.   |
|     |               |                      | V.   | v. to claim to be or do a particular<br>thing when this claim may not be<br>true             | (虚假地)<br>声称           |  |                     |  |
| 696 | mediocre      | /ˌmidiˈoʊkər/        | adj. | adj. of moderate or low quality, value, ability, or performance                              | 平庸的,平<br>凡的           |  |                     | Although Schoenberg's historical achievement was audacious and new, he can be aped today by any mediocre music graduate of an average conservatory.  |
| 697 | irritate      | /ɪrɪˌteɪt/           | V.   | v. to provoke impatience, anger,<br>or displeasure in  | 使不高兴                  |  |                     | Angela Merkel's decision to pursue a more open<br>policy regarding Syrian immigrants has irritated the<br>conservatives in the parliament. They are especially<br>annoyed by the financial aid granted to the Syrian<br>refugees.  |
| 698 | stilted       | /stritrd/            | adj. | adj. awkward especially because of being too formal  | 不自然的,<br>僵硬的          |  |                     | Being a part of this <i>stilted</i> society has made Arun<br>Joshi to envisage the vacuum it creates and through<br>his work of art he tries to awake people to get back<br>to the right track to feed their spiritual instincts by<br>staying in harmony with nature.   |
| 699 | placid        | /plæsɪd/             | adj. | adj. not easily upset or excited   | 平静的                   |  |                     | Far from being aggressive, bears in some<br>national parks are surprisingly <i>placid</i> when<br>approached by humans; still, visitors must<br>exercise caution.  |
| 700 | erratic       | /iˈrætɪk/            | adj. | adj. acting, moving, or changing<br>in ways that are not expected or<br>usual                | 飘忽不定<br>的,没规律<br>的    | fickle,<br>versatile,<br>volatile,<br>flighty,<br>capricious |                     |  |
|     |               |                      | adj. | adj. deviating from what is<br>ordinary or standard  | 古怪的                   |  |                     |  |
| 701 | ingenious     | /ɪnˈdʒinjəs/         | adj. | adj. very smart or clever  | 天才的,聪<br>明的           | clever   |                     | The "like" button on Facebook actually solves the problem of how best to rank and review a user's friends' posts. That users do not realize they are doing this by clicking the button was perhaps the most <i>ingenious</i> part. If they were asked to determine how to sort out these feeds, they would have found the process tedious and distracting. |
| 702 | renaissance   | /rɛnəˌsɑns/          | n.   | n. revival   | 复苏                    | revival  |                     | Bike riding is enjoying a renaissance in a nearby city. Bike lanes have just been added to almost all of the city's major roads, and this has caused many of its citizens to try biking again.   |
|     |               |                      | n.   | n.   | 文艺复兴时<br>期(首字母<br>大写) |  |                     |  |
| 703 | endorse       | /en'dors/            | V.   | v. to publicly or officially say that<br>you support or approve of<br>(someone or something) | 公开支持                  | sanction,<br>commend,<br>authorize                           |                     | Katy Perry, an American pop star, endorsed Hillary<br>Clinton for President. The singer showed her support<br>for Clinton by singing at the presidential candidate's<br>gatherings.  |
|     |               |                      | V.   | v. to publicly say that you like or use (a product or service) in exchange for money         | 代言产品                  |  |                     | The company has only made one major advertising push, — in the 1960's, it got Whitey Ford to <b>endorse</b> the product and appear in a short film.  |
| 704 | harbinger     | /harbindʒər/         | n.   | n. something that shows what is coming   | 前兆                    | herald   |                     | Some scientists believe that Adelie penguins<br>may be <i>harbingers</i> of global warming, that<br>their population decline may presage climatic<br>changes throughout Antarctic.   |
|     |               |                      | V.   | v. to be a harbinger of  | 预兆                    |  |                     |  |
| 705 | malign        | /məˈlaɪn/            | adj. | adj. having or showing intense<br>often vicious ill will                                     | 邪恶的,恶<br>毒的           |  |                     | The United Nations Army did not have malign intentions when they approached the local civilians. They did not want to harm them, but instead wanted to help them.  |
|     |               |                      | V.   | v. to say bad things about (someone or something) publicly                                   | 贬损,诋毁                 |  |                     |  |
| 706 | imperative    | /imˈpɛrətiv/         | adj. | adj. very important  | 重要的                   |  |                     | For the writer, the pitfalls are many, and one<br>imperative rules: "Your beginning better be just<br>killer," Chabon says.  |
|     |               |                      | n.   | n. a command, rule, duty, etc.,<br>that is very important or<br>necessary                    | 命令,规则                 |  |                     |  |
| 707 | ethical       | /εθɪkəl/             | adj. | adj. morally right and good  | 道德的                   |  |                     |  |

| ID  | 英文单词           | 美式音标                     | 词性   | 英文解释  | 中文解释                  | 六选二   | 相关词                               | 例句  |
|-----|----------------|--------------------------|------|---|-----------------------|---|-----------------------------------|---|
| 708 | consequential  | /ˌkɑnsɪ<br>ˈkwɛnʃəl/     | adj. | adj. having significant consequences  | 重要的                   |   | inconseque<br>ntial adj. 不<br>重要的 | Watson has the capacity for distinguishing<br>consequential problems from minor ones, but many<br>of their able peers were busily and indispensably<br>working on problems of far less significance.  |
|     |                |                          | adj. | adj. self-important   | 自以为是的                 |   |                                   |   |
|     |                |                          | adj. | adj. happening as a result  | 结果的                   |   |                                   |   |

| 713 | mishandle      | /mɪsˈhændəl/             | V.   | v. to treat roughly   | 虐待                    |   |                                   |   |
|     |                |                          | V.   | v. to deal with or manage wrongly<br>or ignorantly  | 错误地处<br>理,处理不<br>当    |   |                                   |   |
| 714 | fickle         | /fɪkəl/                  | adj. | adj. changing opinions often  | 多变的                   | versatile,<br>volatile,<br>flighty,<br>erratic,<br>capricious |                                   | Ryan's <i>fickle</i> bothered his friends, who tired of instability and constant changes of allegiance.   |
| 715 | countermand    | /ˌkaʊntər<br>ˈmænd/      | v.   | v. to cancel (an order) especially<br>by giving a new order   | 撤销 (命令)               |   |                                   |   |
| 716 | mollify        | /maləˌfaɪ/               | V.   | v. to make (someone) less angry : to calm (someone) down  | 安抚                    |   |                                   | Although easily angered by our mischievous behavior, our mother could be immediately <i>mollifled</i> by our expressions of remorse.  |
| 717 | gloomy         | /ˈglumi/                 | adj. | adj. causing feelings of sadness  | 悲伤的                   | lugubrious,<br>cheerless                                      |                                   |   |
| 718 | methodical     | /məˈθαdɪkəl/             | adj. | adj. arranged, characterized by,<br>or performed with method or<br>order  | 有条理的                  | Greeness  |                                   |   |
| 719 | hortatory      | /horte_tori/             | adj. | adj. advisory   | 劝告的                   |   |                                   |   |
| 720 | innate         | /r'nert/                 | adj. | adj. existing from the time a person or animal is born  | 天生的                   | inborn  |                                   | Many linguists believe that the human ability to learn language is <i>innate</i> , an essential part of our nature.   |
| 721 | displace       | /dɪsˈpleɪs/              | V.   | v. to force (people or animals) to<br>leave the area where they live  | 驱逐                    |   |                                   | English has displaced the town's native language.<br>The townspeople decided to make English, instead<br>of their local language, their main language twenty-<br>three years ago.   |
|     |                |                          | V.   | v. to take the job or position of (someone or something)  | 取代,代替                 |   |                                   |   |
| 722 | apprehend      | /ˌæpriˈhɛnd/             | V.   | v. to arrest or seize   | 逮捕                    |   |                                   |   |
|     |                |                          |      | v. to notice and understand (something)   | 理解                    |   |                                   |   |
|     |                |                          | V.   | v. to anticipate especially with<br>anxiety, dread, or fear   | 害怕,恐惧                 |   |                                   |   |
| 723 | disarray       | /ˌdɪsəˈreɪ/              | n.   | n. a lack of order  | 杂乱,混乱                 |   |                                   |   |
|     |                |                          | V.   | v. to throw into disorder   | 使混乱                   |   |                                   |   |
| 724 | tedious        | /tidies/                 | adj. | adj. boring and too slow or long  | 冗长无聊的                 | boring;<br>dreary   |                                   | Many people mistakenly imagine that life in space is devoid of <i>tedium</i> ; in reality, an astronaut's day includes many tasks so routine as to be boring.   |
| 725 | emphasis       | /ɛmfəsɪs/                | n.   | n. special importance or attention given to something   | 强调                    |   | v.<br>emphasize                   |   |
| 726 | irascible      | /rˈræsəbəl/              | adj. | adj. becoming angry very easily   | 易怒的,坏<br>脾气的          | exasperation  |                                   | Liam has been very irascible lately; the late hours at<br>work and a lot of extra activities have stressed him<br>out. All this stress causes him to lose his temper<br>often.  |
| 727 | fastidious     | /fæˈstɪdiəs/             | adj. | adj. very careful about how you<br>do something   | 小心谨慎<br>的,挑剔的         |   |                                   |   |
| 728 | occlude        | /əˈklud/                 | V.   | v. to close up or block off   | 阻塞                    |   |                                   |   |
| 729 | impair         | /ɪmˈpɛr/                 | V.   | v. to make (something) weaker or worse  | 损害                    | subvert,<br>undercut,<br>undermine,<br>compromise,<br>vitiate |                                   | Some scientists claim that repeated<br>exposure to sustained noise <i>impairs</i> blood-<br>pressure regulation and might even make<br>people prone to hypertension; others, by<br>contrast, have obtained inconclusive<br>evidence that minimizes the correlation. |
| 730 | laudatory      | /lode <sub>i</sub> tori/ | adj. | adj. expressing or containing praise  | 赞美的                   |   | v. laud 赞美                        |   |
| 731 | prevalent      | /prɛvələnt/              | adj. | adj. common or widespread   | 流行的,普<br>遍的           | extensive,<br>widespread                                      |                                   |   |
| 732 | deprecate      | /ˈdɛprəˌkeɪt/            | V.   | v. to criticize or express<br>disapproval of (someone or<br>something)  | 贬损诋毁                  | detract   | adj.<br>deprecator<br>y           | Dr. Abraham often understated his accomplishments, even at times deprecating the way he had achieved his success against overwhelming obstacles.  |
| 733 | portend        | /pɔrˈtɛnd/               | V.   | v. to be a sign or warning that<br>something usually bad or<br>unpleasant is going to happen                    | 预示, 预兆                | predict,<br>presage   | n. portent                        |   |
| 734 | self-defeating | /sɛlfdrˈfitɪŋ/           | adj. | adj. injurious to one's or its own purposes or welfare  | 违背自己利<br>益的,弄巧<br>成拙的 |   |                                   |   |

| ID  | 英文单词         | 美式音标                  | 词性   | 英文解释  | 中文解释                 | 六选二                                 | 相关词              | 例句  |
|-----|--------------|-----------------------|------|---|----------------------|-------------------------------------|------------------|---|
| 735 | proclaim     | /proʊˈkleɪm/          | V.   | v. to say or state (something) in a public, official, or definite way   | 宣布                   | profess                             |                  |   |
| 736 | meddle       | /mɛdəl/               | V.   | v. to interest oneself in what is not one's concern   | 干涉                   |                                     |                  | Some people think that children should not meddle in the affairs of their parents, because children are too immature to fully understand the complexities of adult matters.   |
| 737 | overshadow   | /ˌoʊvərˈ∫ædoʊ/        | V.   | v. to exceed in importance  | 超出,超过                |                                     |                  | Ryan's speech overshadowed those of his<br>competitors. The judges were so impressed by and<br>focused on his performance that they completely<br>forgot what the other speakers had presented on.  |
|     |              |                       | V.   | v. to cast a shadow over  | 遮盖                   | obscure                             |                  |   |
| 738 | somnolent    | /samnələnt/           | adj. | adj. very boring or causing a person to fall asleep   | 无聊的,令<br>人昏昏欲睡<br>的  | lethargic                           |                  |   |
| 739 | precipitate  | /priˈsɪpəˌteɪt/       | V.   | v. to cause (something) to<br>happen quickly or suddenly  | 加速                   |                                     |                  | "You're looking fat today," yelled Ryan. In response,<br>George immediately punched him in the face. It<br>appeared that Ryan's rude comments had<br>precipitated a fight at the restaurant.  |
|     |              |                       | adj. | adj. happening very quickly or too<br>quickly without enough thought or<br>planning                                     | 鲁莽的                  |                                     |                  | The executive was faulted for acting<br>precipitately, for implementing sweeping<br>changes without fully considering what the<br>consequence might be.   |
| 740 | onerous      | /aneres/              | adj. | adj. difficult and unpleasant to do<br>or deal with   | 繁重的,费<br>力的          | burdensome                          |                  | Elena was dismayed at how <b>onerous</b> the course requirements were: her teacher assigned a burdensome amount of work.  |
| 741 | comity       | /kaməti/              | n.   | n. friendly social atmosphere   | 友好,和谐                | civility                            |                  |   |
| 742 | douse        | /daʊs/                | V.   | v. to extinguish v. to affirm or declare positively or  | 熄灭                   | extinguish                          |                  |   |
| 743 | asseverate   | /əˈsɛvəˌreɪt/         | V.   | earnestly   | 郑重声明                 |                                     |                  |   |
| 744 | arbitrary    | /arbəˌtrɛri/          | adj. | adj. not planned or chosen for a particular reason  | 武断的,任<br>性的          |                                     |                  |   |
|     |              |                       | adj. | adj. existing or coming about<br>seemingly at random or by<br>chance or as a capricious and<br>unreasonable act of will | 随意的                  |                                     |                  |   |
| 745 | discretion   | /drˈskrɛ∫ən/          | n.   | n. power of free decision or latitude of choice within certain legal bounds   | 自由决定                 |                                     |                  | Regaining mayoral control of schools was one<br>Michael Bloomberg's greatest legislative<br>achievements as mayor; it marked the first time City<br>Hall gained <i>discretion</i> over education policy.                                      |
|     |              |                       | n.   | n. he quality of having or showing discernment or good judgment : the quality of being discreet : circumspection;       | 谨慎                   |                                     |                  |   |
| 746 | sacrosanct   | /sækroʊ<br>ˌsæŋkt/    | adj. | adj. most sacred or holy  | 神圣而不可侵犯的             |                                     |                  | Professions once seemingly inviolate from litigation are no longer sacrosanct. The age-<br>old axiom that physicians bury their mistakes, while<br>attorneys and accountants file theirs away, has little<br>relevance in modern-day America. |
| 747 | quiescent    | /kwarˈɛsənt/          | adj. | adj. not active   | 静止的,不<br>活跃的         | calm                                | n.<br>quiescence | Geysers vary widely: some may discharge continuously, whereas others may have only a brief explosive eruption and then remain <i>quiescent</i> for hours or days.   |
| 748 | evasive      | /i'veɪsɪv/            | adj. | adj. not honest or direct   | 回避的,闪<br>烁其词的        | elusive                             |                  | The prose of Richard Wright's<br>autobiographical <i>Black Boy</i> (1945) is<br>straightforward, free of stylistic tricks or<br><i>evasiveness</i> .  |
| 749 | defer        | /diˈfɜr/              | V.   | v. put off, delay   | 推迟                   |                                     |                  | Ken asked if he could defer starting his car<br>payments by a year. He just couldn't afford to make<br>a monthly car payment at that time.  |
|     |              |                       | V.   | v. to submit to another's wishes,<br>opinion, or governance usually<br>through deference or respect                     | 顺从                   |                                     |                  |   |
| 750 | innocuous    | /r'nakjuəs/           | adj. | adj. producing no injury  | 无害的                  | harmless                            |                  | Although many swimmers fear encountering<br>jellyfish in the ocean, most species are<br>actually <i>innocuous</i> and do no harm to<br>humans.  |
|     |              |                       | adj. | adj. not likely to give offense or to arouse strong feelings or hostility   | 不惹人厌烦<br>的           |                                     |                  |   |
| 751 | arcane       | /arˈkeɪn/             | adj. | adj. known or understood by only a few people   | 难懂的,只<br>有少数人懂<br>得的 | esoteric;<br>recondite;<br>abstruse |                  | The National Museum has a huge collection of<br>arcane artifacts. Most of them are extremely old and<br>fragile, and some of them are so mysterious and<br>unique that they cannot be displayed.  |
| 752 | permanent    | /psrmenent/           | adj. | adj. lasting or continuing for a very long time or forever  | 长期稳定的                |                                     |                  | Julia was offered a permanent position at her firm.<br>However, she was not sure whether she wanted to<br>settle down in that office.   |
| 753 | entice       | /ɛnˈtaɪs/             | V.   | v. to attract artfully or adroitly or<br>by arousing hope or desire   | 诱惑                   |                                     |                  | Companies eager to expand abroad have offered bonuses to employees to <i>entice</i> them to move overseas.  |
| 754 | unmistakable | /ˌʌnmɪs<br>ˈteɪkəbəl/ | adj. | adj. not capable of being<br>mistaken or misunderstood  | 清晰的,一<br>目了然的        | decisive                            |                  |   |
| 755 | antecedent   | /ˌæntəˈsidənt/        | n.   | n. something that came before<br>something else and may have<br>influenced or caused it                                 | 先前的                  | precursor                           |                  |   |
| 756 | overstate    | /ouver.stert/         | V.   | v. to say that (something) is larger or greater than it really is   | 夸大                   |                                     |                  |   |
| 757 | relish       | /rɛlɪʃ/               | V.   | v. to enjoy or take pleasure in (something)   | 喜爱                   | delight                             |                  | Jennifer Lawrence relished her moment of glory<br>when she won her first Oscar for Best Actress. She<br>knew that she would be intensely difficult for her to<br>win that award again.  |

| ID  | 英文单词        | 美式音标            | 词性   | 英文解释  | 中文解释                 | 六选二                         | 相关词                          | 例句  |

| 971 | arboreal     | /ar'boriəl/           | adj. | adj. of or relating to trees   | 树的               |          |                           |  |
|     |              |                       | adj. | adj. living in or often found in trees   | 多树的              |          |                           |  |
| 972 | nostalgia    | /naˈstældʒə/          | n.   | n. the state of being homesick   | 思乡               |          |                           |  |
|     |              |                       | n.   | n. a wistful or excessively<br>sentimental yearning for return to<br>or of some past period or<br>irrecoverable condition                    | 思念过去             |          |                           | The <i>nostalgia</i> for Friends is somewhat understandable but also strange: why not latch on to something better than from the early '90s, like <i>My So-Called Life</i> or <i>Roseanne</i> or <i>NewsRadio?</i>   |
| 973 | peremptory   | /pərˈɛmptəri/         | adj. | adj. admitting of no contradiction   | 不容反抗<br>的,断然的    |          |                           |  |
|     |              |                       | adj. | adj. characterized by often<br>imperious or arrogant self-<br>assurance  | 狂妄自大的            |          |                           |  |
| 974 | avian        | /ervien/              | adj. | adj. of or relating to birds   | 跟鸟有关的            |          |                           |  |
| 975 | ramshackle   | /ræm∫ækəl/            | adj. | adj. appearing ready to collapse   | 摇摇欲坠的            |          |                           |  |
|     |              |                       | adj. | adj. not carefully made or put together  | 制作粗糙的            |          |                           |  |
| 976 | quiver       | /kwɪvər/              | V.   | v. to shake because of fear, cold, nervousness, etc.   | 战栗               |          |                           |  |
| 977 | rancor       | /ræŋkər/              | n.   | n. an angry feeling of hatred or<br>dislike for someone who has<br>treated you unfairly  | 憎恨               |          |                           | The delegates` behavior at the convention was utterly disgraceful and fully deserving of the rancor it provoked.   |
| 978 | dewy-eyed    | /du <sub>.</sub> ard/ | adj. | adj. Innocent  | 天真的,朴<br>素的      |          |                           |  |
| 979 | epitome      | /iˈpɪtəˌmi/           | n.   | n. a perfect example   | 典型               |          |                           | Many critics of the style of painting exemplified by<br>Marcel Duchamp's work focused on Duchamp's<br>Nude Descending a Staircase as the <i>epitome</i> of<br>what they detested about modern art.   |
| 980 | fissure      | /fɪʃər/               | n.   | n. a narrow opening or crack   | 裂缝               |          |                           |  |
|     |              |                       | n.   | n. a separation or disagreement in thought or viewpoint  | 分歧               |          |                           |  |
| 981 | parley       | /parli/               | V.   | v. to discuss terms with an enemy  | 谈判               |          |                           |  |
| 982 | immolate     | /ɪməˌleɪt/            | V.   | v. to kill or destroy (someone or something) by fire   | 用火摧毁             |          |                           |  |
| 983 | lassitude    | /læsɪˌtud/            | n.   | n. lack of physical or mental<br>energy  | 无精打采             |          |                           | (1) After working out, people usually are relaxed, filled with a deeply pleasurable <i>lassitude</i> . (2) Most analysts expect that despite the fall <i>lassitude</i> , the domestic box office will cross \$11 billion for the first time in history.                                      |
| 984 | pompous      | /pampes/              | adj. | adj. excessively elevated or ornate  | 过于华丽的            |          |                           | In contrast to Roman architecture, which was typically <i>pompous</i> in style, Greek architecture was austere.  |
|     |              |                       | adj. | adj. having or exhibiting self-<br>importance  | 傲慢的,自<br>以为是的    |          |                           |  |

| ID   | 英文单词       | 美式音标            | 词性   | 英文解释  | 中文解释                  | 六选二                           | 相关词                  | 例句   |
|------|------------|-----------------|------|---|-----------------------|-------------------------------|----------------------|--|
| 985  | overreach  | /ˌoʊvərˈritʃ/   | V.   | v. to defeat (oneself) by seeking<br>to do or gain too much   | 野心勃勃而失败               |                               |                      |  |
|      |            |                 | V.   | v. to try to do something that is beyond your ability to do   | hold不住,<br>不自量力做      |                               |                      |  |
| 986  | demarcate  | /di'markeɪt/    | V.   | v. to set apart   | 分开,划清<br>界线           |                               |                      |  |
| 987  | evince     | /iˈvɪns/        | V.   | v. to display clearly   | 显示                    |                               |                      | Ronald's report evinced that he had done a great deal of research while writing it. His report included information and opinions from famous books on the topic, related study findings, and well-respected experts.   |
| 988  | veer       | /vir/           | V.   | v. to change direction or course  | 改变方向                  |                               |                      | Upon receiving information about the iceberg, the<br>Captain of the Titanic immediately veered the course<br>of the ship. However, the boat did not change<br>direction quickly enough and the collision with the<br>iceberg was unavoidable.  |
| 989  | resilient  | /rɪˈzɪljənt/    | adj. | adj. able to become strong,<br>healthy, or successful again after<br>something bad happens  | 能复原的                  |                               |                      | Although other European states broke apart<br>under the stresses of political upheaval, the<br>seventeenth-century Dutch republic proved<br>remarkably <b>resilient</b> .  |
|      |            |                 | adj. | adj. able to return to an original shape after being pulled, stretched, pressed, bent, etc.   | 有弹性的                  |                               |                      |  |
| 990  | revolt     | /rr'voʊlt/      | V.   | v. to fight in a violent way against<br>the rule of a leader or government  | 反叛,反抗                 |                               |                      | The French Revolution started out as a series of<br>revolts against the monarchy. People were<br>protesting against poverty, high taxes, and lack of<br>food. They demanded a change in government.  |
|      |            |                 | V.   | v. to cause (someone) to feel<br>disgust or shock   | 反感                    |                               |                      |  |
| 991  | devolve    | /dɪˈvalv/       | V.   | v. to gradually go from an<br>advanced state to a less<br>advanced state  | 衰落                    |                               |                      | It's easy to denigrate artists as self-indulgent. From<br>Plato's Republic to H.G. Wells' modern Utopia,<br>literary visions of a perfect world have routinely shed<br>the 'useless' artist in tavor of the practical<br>artisan. But society <i>devolves</i> very quickly once the<br>artists are gone. |
|      |            |                 | V.   | v. to pass on from one person or entity to another  | (权力、责<br>任)移交         |                               |                      | Rather than dictating policy like a chief executive, he attacked corporate hierarchy and <b>devolved</b> power to front-line workers.  |
| 992  | adulation  | /ædʒuˌleɪt/     | n.   | n. excessive or slavish admiration or flattery  | 恭维,吹捧                 | sycophant                     |                      | Her dislike of <b>adulation</b> made her regard people who tried to win her approval through praise as toadies.  |
| 993  | demolish   | /dr'malrf/      | V.   | v. to forcefully tear down or take<br>apart (a structure)   | 拆毁                    |                               |                      | The building was old and dangerous, so the local government decided to demolish it as soon as possible. Once the old building was torn down, the construction of a safer building began.   |
|      |            |                 | V.   | v. to damage (something) so that it cannot be repaired  | 破坏                    |                               |                      |  |
| 994  | timely     | /taɪmli/        | adv. | adv. in time  | 合时宜地                  |                               |                      |  |
| 995  | snapshot   | /snæp,∫at/      | n.   | n. an impression or view of something brief or transitory   | 初步印象                  |                               |                      |  |
|      |            |                 | n.   | n. an informal photograph that is taken quickly   | 快照                    |                               |                      |  |
| 996  | obsequious | /əbˈsikwiəs/    | adj. | adj. too eager to help or obey someone important  | 谄媚的                   | sycophantic                   |                      | Annoyed by the new employee's excessively<br>obsequious manner, the supervisor advised<br>him that such fawning was inappropriate.   |
| 997  | gut        | /gʌt/           | n.   | n. the basic visceral or emotional part of a person   | 内心深处                  |                               |                      |  |
|      |            |                 | V.   | v. to destroy the inside of (a structure)   | 毁坏内部                  |                               |                      |  |
| 998  | hierarchy  | /ˈhaɪərˌɑrki/   | n.   | n. the classification of a group of<br>people according to ability or to<br>economic, social, or professional<br>standing or the group so<br>classified | 等级制度,<br>有等级划分<br>的组织 |                               | adj.<br>hierarchical | In the Medieval Ages in Europe, society was ruled<br>by feudalism. Society then had strict hierarchies:<br>who was born rich ruled the country and lived<br>happily, while who was born poor had to work the<br>land and obey his or her master.   |
|      |            |                 | n.   | n. a body of persons in authority   | 权力机构                  |                               |                      |  |
| 999  | terse      | /tars/          | adj. | adj. brief and direct in a way that may seem rude or unfriendly   | 简洁的                   | curt,<br>taciturn,laco<br>nic |                      | Favoring economy of expression in writing, the professor urged students toward a <i>terse</i> rather than an embellished prose style.  |
| 1000 | abate      | /əˈbeɪt/        | V.   | v. to become weaker   | 减弱                    | mitigate                      |                      | Assuming that the birds nesting in the<br>reserve were no longer in danger from<br>poachers, the caretakers <i>abated</i> their<br>vigilance.  |
| 1001 | fluster    | /flaster/       | V.   | v. to make (someone) nervous<br>and confused  | 使不安                   |                               |                      | Jeremy was very flustered this morning because he had to turn in three important assignments before Noon, so he was very stressed and worried.   |
| 1002 | flatter    | /flæter/        | V.   | v. to praise (someone) in a way that is not sincere   | 谄媚,拍马<br>屁            |                               |                      |  |
| 1003 | accentuate | /æk'sɛnt∫uˌeɪt/ | V.   | v. to make (something) more noticeable  | 强调                    | highlight                     |                      |  |
| 1004 | augment    | /ɔgˈmɛnt/       | V.   | v. to increase the size or amount of (something)  | 放大                    | extend                        |                      | Florence Bascom was both an accomplished geologist and a gifted teacher: she augmented our knowledge of mountain formation while inspiring early twentieth-century women to pursue careers in geology.   |
|      |            |                 | V.   | v. to supplement  | 补充                    |                               |                      |  |
| 1005 | certitude  | /ssrte_tud/     | n.   | n. freedom from doubt   | 确信无疑                  |                               |                      |  |
| 1006 | cachet     | /kæˈ∫eɪ/        | n.   | n. an indication of approval<br>carrying great prestige   | 支持                    |                               |                      |  |
| 1007 | sound      | /saund/         | adj. | adj. in good condition  | 状态良好的                 |                               |                      |  |

| ID       | 英文单词           | 美式音标                | 词性   | 英文解释  | 中文解释          | 六选二          | 相关词                  | 例句   |
|----------|----------------|---------------------|------|---|---------------|--------------|----------------------|--|
|          |                |                     | adj. | adj. showing good judgement   | 明智的,合理的       |              |                      |  |
| 1008     | contrite       | /kənˈtraɪt/         | adj. | adj. feeling or showing regret for bad behavior   | 后悔的           | penitent     |                      |  |
| 1009     | unanimous      | /juˈnænəməs/        | adj. | adj. having the same opinion  | 意见一致的         | · ·          |                      | The city council's <i>unanimous</i> rejection of a proposal so critical to the mayor's agenda was a shocking setback for the mayor, because she had fully expected the council's support.  |
| 1010     | neologism      | /ni'aləˌdʒɪzəm/     | n.   | n. a new word or expression or a<br>new meaning of a word   | 新词,新意<br>思    |              |                      | A neologism of "visionary" and "engineer," visioneer captures the hybrid nature of these technologists' activities: Visioneers base their imaginings on detailed engineering studies and technical designs. They also engage in another form of engineering as they build communities of supporters and patrons. |
| 1011     | aristocracy    | /ˌærɪˈstɑkrəsi/     | n.   | n. government by the best individuals or by a small privileged class  | 贵族统治,<br>精英统治 |              | adj.<br>aristocratic |  |
| 1012     | inimical       | /ɪˈnɪmɪkəl/         | adj. | adj. likely to cause damage or have a bad effect  | 有害的,不<br>友好的  | antagonistic |                      |  |
| 1013     | hallow         | /hæloʊ/             | V.   | v. to respect greatly: venerate   | 尊敬,崇敬         | respect      |                      | Psychologists have discovered that some of the most hallowed advice on study habits is flat wrong. For instance, many study skills courses insist that students find a specific place, a study room or a quiet corner of the library,  |
| 1014     | annals         | /ænəlz/             | n.   | n. historical records   | 历史记载          |              |                      | In their earliest days these inventions inspired exhilaration without precedent in the annals of technology. A new sense of futurity arouse: a sense that the world was in a state of change, that life for one's children and grandchildren would be very different.  |
| 1015     | execrate       | /ˈɛksɪˌkreɪt/       | V.   | v. to dislike and criticize<br>(someone or something) very<br>strongly  | 痛斥            |              |                      | The critic wrote that Hoffman's novel was<br>execrable, so abominable, in fact, that<br>slamming it shut was the only pleasure it<br>provided.   |
| 1016     | unexampled     | /ˌʌnɛg<br>ˈzæmpəld/ | adj. | adj. without precedent  | 史无前例的         | novel        |                      |  |

| 1065 | bequest               | /brˈkwɛst/                 | n.         | n. the property or money that you<br>promise in your will to give to<br>another person or organization<br>after you die                           | 遗赠,遗产          |                     |                                    |  |
| 1066 | monochromatic         | /ˌmɑnəkroʊ<br>ˈmætɪk/      | adj.       | adj. lacking variety, creativity, or excitement   | 单调的            |                     |                                    |  |
| 1067 | employ                | /ɛmˈplɔɪ/                  | V.         | v. to make use of   | 使用             |                     |                                    | In addition to evaluating stacks of resumes and references, some employers want to supplement the hiring process by <i>employing</i> graphologists to study applicants' hand-writing for character analysis.   |
|      |                       |                            | V.         | v. to give a job to   | 雇佣             |                     |                                    |  |
| 1068 | indigenous            | /ɪnˈdɪdʒənəs/              | adj.       | adj. produced, living, or existing<br>naturally in a particular region or<br>environment  | 属于某个地<br>方的    |                     |                                    | The Venus flytrap plant is <i>indigenous</i> to coastal areas of North and South Carolina: it grows naturally only in this region.   |
|      |                       |                            | adj.       | adj. innate or inborn   | 与生俱来的          |                     |                                    |  |
| 1069 | insurrection          | /ˌɪnsəˈrɛk∫ən/             | n.         | n. a usually violent attempt to take control of a government  | 造反             |                     |                                    |  |
| 1070 | ideology              | /ˌaɪdiˈɑlədʒi/             | n.         | n. the set of ideas and beliefs of a group or political party   | 思想体系,<br>意识形态  |                     |                                    |  |
| 1071 | segregate             | /segre_gent/               | V.         | v. to separate groups of people<br>because of their particular race,<br>religion  | 分离,隔离          |                     |                                    | In the past, African Americans were segregated from White Americans in the American South. Thus, black and white children had to attend different schools and live in different neighborhoods.   |
|      |                       |                            | v.         | v. to not allow people of different<br>races to be together in (a place,<br>such as a school)   | 强制隔离           |                     |                                    |  |
| 1072 | propound              | /pre'paund/                | V.         | v. to offer for discussion or consideration   | 提出…供考虑         |                     |                                    | When Mr. Jackson first presented his theory, many of his colleagues disagreed with him; however, after completing several years of research, his findings supported the theory that he had propounded.   |
| 1073 | saline                | /seɪˌlin/                  | adj.       | adj. containing salt  | 含盐的            |                     |                                    |  |
| 1074 | adulterate            | /əˈdʌltərˌeɪt/             | V.         | v. to make (something, such as a<br>food or drink) impure or weaker<br>by adding something of poor<br>quality                                     | 掺假             |                     |                                    |  |
| 1075 | expository            | /ɛkˈspɑzəˌtɔri/            | adj.       | adj. used to describe writing that is done to explain something   | 解释的,阐 释的       |                     |                                    |  |
| 1076 | excavate              | /əˈnimiə/<br>/ ɛkskəˌveɪt/ | n.<br>v.   | n. lack of vitality  v. to uncover (something) by digging away and removing the earth that covers it  | 缺乏活力<br>开凿,挖出  |                     |                                    |  |
| 1078 | acerbic               | /əˈsɜrbɪk/                 | adj.       | adj. expressing harsh or sharp<br>criticism in a clever way   | (语言) 辛<br>辣尖刻的 | mordant,<br>caustic |                                    |  |
| 1079 | resurgence            |                            | n.         | n. a growth or increase that occurs after a period without growth or increase   | 复苏             |                     |                                    |  |
| 1080 | colloquial            | /kəˈloʊkwiəl/              | adj.       | adj. using conversational style   | 口头的,非<br>正式的   |                     |                                    |  |
| 1081 | interjection          | /ˌɪntərˈdʒɛkʃən/           | n.         | n. the act of uttering exclamations   | 插话             |                     |                                    |  |
| 1082 | hoodwink<br>analogous | /hʊdˌwɪŋk/                 | v.<br>adj. | v. to deceive or trick (someone)  | 欺骗<br>相似的      | comparable          |                                    |  |
| 1083 | latent                | /e'næleges/<br>/lertent/   | adj.       | adj. similar in some way  adj. present but not visible or active  | 潜藏的,潜在的        | оотрагаше           |                                    |  |
| 1085 | boycott               | /bɔɪˌkɑt/                  | V.         | v. to refuse to buy, use, or participate in (something) as a way of protesting  | 抵制             |                     |                                    |  |
| 1086 | sentimental           | //ˌsɛntəˈmɛntəl            | adj.       | adj. resulting from feeling rather than reason or thought   | 感情用事的          |                     |                                    |  |
|      |                       |                            | adj.       | adj. marked or governed by<br>feeling, sensibility, or emotional<br>idealism  | 多愁善感的          |                     |                                    |  |
| 1087 | crater                | /kreɪtər/                  | n.         | n. the bowl-shaped depression around the orifice of a volcano   | 凹坑             |                     |                                    |  |

| ID   | 英文单词           | 美式音标                     | 词性   | 英文解释  | 中文解释          | 六选二        | 相关词                 | 例句   |
|------|----------------|--------------------------|------|---|---------------|------------|---------------------|--|
| 1088 | castigate      | /kæstr.gert/             | V.   | v. to criticize (someone) harshly   | 严厉批评          | chastise   |                     | Citing irrefutable evidence of corruption, the investigating committee <i>castigated</i> the senator for his misconduct.   |
| 1089 | preeminent     | /priˈɛmənənt/            | adj. | adj. better than others   | 杰出的,独<br>一无二的 |            |                     | With its large circulation, Essence magazine has enjoyed a preeminence only recently challenged by new publications aggressively seeking female African American readers.  |
| 1090 | terminology    | /ˌtɜrmə<br>ˈnɑlədʒi/     | n.   | n. the special words or phrases that are used in a particular field   | 术语            |            |                     |  |
| 1091 | domesticate    | /doʊˈmɛstɪ<br>ˌkeɪt/     | V.   | v. to breed or train (an animal) to<br>need and accept the care of<br>human beings : to tame (an<br>animal)   | 驯服            |            |                     |  |
| 1092 | pedagogical    |                          | adj. | adj. of or relating to teachers or education  | 教育学的          |            |                     |  |
| 1093 | skew           | /skju/                   | V.   | v. to change (something) so that it is not true or accurate   | 歪曲,曲解         |            | adj. askew<br>歪的,斜的 | (1) The vocation of literary criticism should in no way inhibit the critic's pleasure in a work of art; at the same time, however, such enjoyment should not skew judgment. (2) The footage showing he is a "racist" was purposefully edited in a deceitful way in order to skew his words.  |
| 1094 | static         | /stætik/                 | adj. | adj. showing little or no change,<br>action, or progress  | 静态的           | invariable |                     | Another source of this arid quality may be attributable to the use of photography as a drawing shortcut. Photography as a source for subject matter has opened many amazing possibilities in 20th and 21st century art, but when it is used as a tracing or projecting tool in order to circumvent the difficulties of achieving correct proportion, the resulting art is often static and lifeless. |
| 1095 | discrete       | /dr'skrit/               | adj. | adj. separate and different from each other   | 分开的, 分<br>离的  |            |                     | Repudiating the idea that city and suburb are<br>discrete entities, the writer insisted that they<br>are socially and economically<br>interdependent.  |
| 1096 | corrode        | /kəˈroʊd/                | V.   | v. to weaken or destroy gradually   | 削弱,破坏         |            |                     |  |
|      |                |                          | V.   | v. to slowly break apart and<br>destroy (metal, an object, etc.)<br>through a chemical process  | 腐蚀            |            |                     |  |
| 1097 | protagonist    | /proʊ<br>'tægənɪst/      | n.   | n. an important person who is involved in a competition, conflict, or cause   | 重要人物          |            |                     |  |
|      |                |                          | n.   | n a supporter or champion   | 支持者           |            |                     |  |
| 1098 | forerunner     | /for <sub>.</sub> rʌnər/ | n.   | n. someone or something that comes before another   | 先驱            | precursor  |                     | The crude animated effects afforded by projected images from seventeenth- century lantern slides have now been recognized as <i>forerunners</i> of modern film animation.  |
|      |                |                          | n.   | n. a sign of something that is going to happen  | 预兆            |            |                     |  |
| 1099 | clutch         | /klatʃ/                  | V.   | v. to hold onto (someone or<br>something) tightly with your hand  | 抓住            |            |                     | As she walked down the dark street, Maria clutched her purse. The fear that someone might take it from her caused her to hold onto it tightly.   |
| 1100 | straggle       | /strægəl/                | V.   | v. to wander from the direct course or way  | 迷路            |            |                     |  |
|      |                |                          | v.   | v. to move away or spread out from others in a disorganized way   | 散乱            |            |                     |  |
| 1101 | rhetorical     | /ri'tɔrɪkəl/             | adj. | adj. of, relating to, or concerned<br>with the art of speaking or writing<br>formally and effectively especially<br>as a way to persuade or influence<br>people | 有说服力的         |            |                     |  |
| 1102 | equilibrium    | /ˌikwɪˈlɪbriəm/          | n.   | n. a state in which opposing<br>forces or actions are balanced so<br>that one is not stronger or greater<br>than the other                                      | 平衡            |            |                     | Social equilibrium is very difficult to maintain for<br>every government. The leadership needs to make<br>sure that all levels of society are perfectly balanced<br>and that people are treated equally.   |
| 1103 | liquefy        | /lɪkwɪˌfaɪ/              | V.   | v. to cause (something) to become liquid  | 液化,融化         |            |                     |  |
| 1104 | quintessential |                          | adj. | adj. of, relating to, or having the nature of a quintessence; being the most typical  | 精华的,典<br>型的   |            |                     | According to Larry's wife, he is a quintessential<br>successful guy. He has a great job, a lovely family,<br>and a good salary. To his wife, having these qualities<br>means that someone is a true success.   |
| 1105 | regimen        | /rɛdʒəmən/               | n.   | n. governmental rule or control   | 统治,政府<br>统治   |            |                     |  |
| 1106 | objective      | /əbˈdʒɛktɪv/             | adj. | adj. dealing with facts without<br>allowing personal feelings to<br>confuse them  | 客观的           | fair       |                     |  |
| 1107 | postulate      | /pastʃəˌleɪt/            | V.   | v. to suggest (something, such as<br>an idea or theory) especially in<br>order to start a discussion  | 假设,假定         |            |                     | Galileo was one of the first scientists who postulated that the Earth revolved around the Sun, and he was later discovered to be correct in his assumption.  |
| 1108 | onset          | /anˌsɛt/                 | n.   | n. the beginning of something   | 开始            |            |                     | Sleep actually occurs instantaneously, though one may receive clues signaling its <b>onset</b> for several minutes before one falls asleep.  |
| 1109 | impinge        | /ɪmˈpɪndʒ/               | V.   | v. to strike or dash especially with a sharp collision  | 猛烈撞击          |            |                     |  |
|      |                |                          | V.   | v. to have an effect or make an impression  | 影响            |            |                     |  |
|      |                |                          | V.   | v. encroach or infringe   | 妨碍,侵犯         |            |                     |  |
| 1110 | thrive         | /θraɪv/                  | V.   | v. to grow or develop successful  | 兴旺发达          |            |                     |  |

| ID   | 英文单词        | 美式音标                 | 词性   | 英文解释  | 中文解释           | 六选二                    | 相关词                        | 例句   |
|------|-------------|----------------------|------|---|----------------|------------------------|----------------------------|--|
| 1111 | milieu      | /mil'js/             | n.   | n. the physical or social setting in which something occurs or develops                             | 环境             |                        |                            |  |
| 1112 | paradoxical | /ˌpærə<br>ˈdɑksɪkəl/ | adj. | adj. not being the normal or usual kind   | 不寻常的           |                        |                            |  |
|      |             |                      | adj. | adj. of the nature of a paradox   | 悖论的,矛<br>盾的    |                        |                            |  |
| 1113 | iterate     | /ɪtərˌeɪt/           | V.   | v. to say or state again  | 重说一遍           |                        |                            |  |
| 1114 | prophetic   | /prəˈfɛtɪk/          | adj. | adj. correctly stating what will happen in the future   | 预言的            | prescient              |                            | Grover Pease Osborne's 1893 economics treatise was remarkably <i>prophetic</i> since it foresaw that technological advances would increase the availability of natural resources.  |
| 1115 | delineate   | /drˈlɪniˌeɪt/        | V.   | v. to mark the outline of   | 描绘轮廓           |                        |                            |  |
|      |             |                      | V.   | v. to clearly describe v. to forgive or approve   | 详细描述<br>原谅, 认可 |                        |                            |  |
| 1116 | condone     | /kənˈdoʊn/           | V.   | (something that is considered wrong)  |                |                        |                            |  |
| 1117 | acumen      | /əˈkjumən/           | n.   | n. keenness and depth of perception, discernment, or discrimination especially in practical matters | 机智,精明          |                        |                            |  |
| 1118 | agonize     | /ægəˌnaɪz/           | V.   | v. to think or worry very much about something  | 煞费苦心地<br>做     |                        |                            |  |
| 1119 | revere      | /ri'vɪr/             | V.   | v. to have great respect for (someone or something)   | 尊敬             |                        | adj.<br>irreverent<br>不尊敬的 | Nick's writing was revered by his close friends and family. In fact, they respected his work so much that they encouraged him to send some of his stories to a publishing company.   |
| 1120 | reckless    | /reklis/             | adj. | adj. not showing proper concern<br>about the possible bad results of<br>your actions                | 粗心的,鲁<br>莽的    |                        |                            | It was <b>reckless</b> of the hikers to head out on their journey into the wilderness without enough supplies or practical survival experience.  |
| 1121 | unsparing   | /ʌnˈspɛrɪŋ/          | adj. | adj. not merciful or forbearing   | 无情的,苛<br>求的    |                        |                            |  |
|      |             |                      | adj. | adj. not frugal   | 不节俭的           |                        |                            | Though usually <i>sparing</i> in her praise, the teacher was effusive in acknowledging Chandra's achievements: she could not say enough positive things.   |
| 1122 | belligerent | /bəˈlɪdʒərənt/       | adj. | adj. angry and aggressive   | 好斗的            | pugnacious             |                            |  |
| 1123 | taciturn    | /tæseˌtɜrn/          | adj. | adj. tending to be quiet  | 沉默寡言           | terse,<br>curt,laconic | n.<br>taciturnity          |  |
| 1124 | penitential | /ˌpɛnɪˈtɛnʃəl/       | adj. | adj. relating to the feeling of being sorry for doing something wrong                               | 后悔的,忏<br>悔的    | contrite               |                            |  |
| 1125 | frivolous   | /frɪvələs/           | adj. | adj. of little weight or importance   | 普通的,无<br>关紧要的  |                        | n. frivolity               | Laura's frivolous concerns irritated her mom. Her mother was so confused as to why her daughter constantly worried about small, unimportant things.  |
|      |             |                      | adj. | adj. silly and not serious  | 不严肃的           |                        |                            | "Please let me go. I have three kids that need their   |
| 1126 | plead       | /plid/               | V.   | v. to argue a case or cause in a court of law   | 辩护             |                        |                            | mother," Betty pleaded. Upon hearing this, the man felt bad for taking Betty away from her children, and, a few seconds later, he granted her request.   |
| 1127 | orthodox    | /ɔrθəˌdaks/          | adj. | adj. accepted as true or correct by most people   | 主流的            |                        |                            |  |
|      |             |                      | adj. | adj. accepting and closely<br>following the traditional beliefs<br>and customs of a religion        | 符合传统的          |                        |                            | Though he was fascinated by the <i>unorthodox</i> behavior of others, Darek was, by contrast, the model of conformity in his own comportment.  |
| 1128 | allege      | /əˈlɛdʒ/             | V.   | v. to assert without proof or before proving  | 断言,宣称          |                        |                            |  |
| 1129 | reconcile   | /rɛkənˌsaɪl/         | v.   | v. to cause people or groups to<br>become friendly again after an<br>argument or disagreement       | 调和             |                        |                            | Ellen respects Gary's qualities of broad-<br>mindedness and humanism; she cannot,<br>however, <b>reconcile</b> them with his dogmatic<br>support of a political creed that seems to<br>oppose precisely those qualities.   |
| 1130 | improvise   | /ɪmprəˌvaɪz/         | V.   | v. to speak or perform without preparation  | 即兴表演           |                        |                            | Unlike some entertainers whose performances rarely vary, jazz great Louis Armstrong frequently <i>improvised</i> during his performances, spontaneously introducing new phrasing in existing songs.  |
| 1131 | eliminate   | /i'liməˌneɪt/        | v.   | v. to get rid of  | 移除,去掉          | put to rest            |                            | Geoffrey's corrupt dealings earned him such disgrace that any possibility of his being reelected to the city council was completely <i>eliminate</i> .   |
| 1132 | disquiet    | /dɪsˈkwaɪət/         | V.   | v. to take away the peace or tranquility of   | 使不安            |                        |                            |  |
| 1133 | predicament | /priˈdɪkəmənt/       | n.   | n. a difficult or unpleasant<br>situation   | 困境             |                        |                            | Technology has played a role in our current<br>predicament. The shale revolution—which at its<br>core is a technological revolution—has given a new<br>lease on life to the oil and gas era. That may be<br>good for falling oil prices, but it's horrible for our<br>environment. |
| 1134 | fester      | /fɛstər/             | V.   | v. to become worse as time passes   | 恶化             |                        |                            |  |
| 1135 | accord      | /əˈkɔrd/             | n.   | n. agreement; harmony   | 和谐,一致          |                        |                            |  |
| 1136 | ascertain   | /ˌæsərˈteɪn/         | V.   | v. to learn or find out (something, such as information or the truth)                               | 查明             |                        |                            |  |

| ID   | 英文单词                  | 美式音标                     | 词性   | 英文解释  | 中文解释                | 六选二                   | 相关词        | 例句  |
|------|-----------------------|--------------------------|------|---|---------------------|-----------------------|------------|---|
| 1137 | counterproducti<br>ve | /kaunterpre<br>ˌdʌktɪv/  | adj. | adj. tending to hinder the attainment of a desired goal   | 起反作用<br>的,事与愿<br>违的 |                       |            | Although daydreaming is generally seen as<br>counterproductive, it can be surprisingly<br>useful, even helping us make progress<br>toward long-term goals.  |
| 1138 | misnomer              | /mɪsˈnoʊmər/             | n.   | n. a name that is wrong or not proper or appropriate  | 误称                  |                       |            | The term "dry cleaning "is something of a<br>misnomer since this process generally<br>involves application of perchloroethylene, a<br>liquid chemical.  |
| 1139 | precarious            | /prrˈkɛriəs/             | adj. | adj. characterized by a lack of<br>security or stability that threatens<br>with danger  | 处境危险的               | perilous              |            | The donnish Mastermind had warned him: 'The life of a secret agent is dangerous enough, but the life of the double agent is infinitely more precarious. If anyone balances on a swinging tightrope it is he, and a single slip can send him crashing to destruction.' |
| 1140 | unrelenting           | /ˌʌnrɪˈlɛntɪŋ/           | adj. | adj. not softening or yielding in determination   | 不妥协的                |                       |            | Grit is an <i>unrelenting</i> passion and desire from a common goal and we're not going to waver from that.   |
|      |                       |                          | adj. | adj. not letting up or weakening in vigor or pace   | 持续的,不<br>减退的        | persistent            |            |   |
| 1141 | soporific             | /ˌsapəˈrɪfɪk/            | adj. | adj. causing a person to become tired and ready to fall asleep  | 令人昏昏欲 睡的            |                       |            | The eager members of the audience found the lecture topic stimulating, but unfortunately the lecturer's droning voice had a <i>soporific</i> effect.  |
| 1142 | disseminate           | /dr'sɛməˌneɪt/           | V.   | v. to cause (something, such as information) to go to many people   | 传播,散布               | transmit              |            | Most politician find television indispensable to the<br>dissemination of their messages: the medium plays<br>an (essential) roles in [propagating] their ideas.   |
| 1143 | lure                  | /lʊr/                    | V.   | v. to cause or persuade (a person<br>or an animal) to go somewhere or<br>to do something by offering some<br>pleasure or gain | 诱惑                  |                       |            |   |
| 1144 | banish                | /bænɪʃ/                  | V.   | v. to send away   | 驱逐                  | expel, oust           |            | The king banished the traitor from ever returning to the kingdom after the traitor attempted to overthrow the king's throne and make himself a new leader.  |
| 1145 | degrade               | /di'greɪd/               | V.   | v. to treat (someone or<br>something) poorly and without<br>respect   | 贬低                  |                       |            |   |
|      |                       |                          | V.   | v. to make the quality of<br>(something) worse  | 退化                  |                       |            |   |
| 1146 | skittish              | /skɪtɪʃ/                 | adj. | adj. tending to change often; not dependable or stable  | 多变的                 |                       |            |   |
|      |                       |                          | adj. | adj. easily frightened or excited   | 易受惊吓<br>的,易激动<br>的  | restive,<br>fractious |            |   |
| 1147 | tranquil              | /træŋkwəl/               | adj. | adj. free from commotion or<br>disturbance  | 安静的                 |                       |            | In retrospect, the presidency of Dwight<br>Eisenhower is perceived as <b>tranquil</b> period<br>because it was relatively free of domestic<br>turmoil.  |
|      |                       |                          | adj. | adj. free from anxiety, tension, or restlessness  | 心神安宁的               |                       |            |   |
| 1148 | seemly                | /simli/                  | adj. | adj. good-looking and handsome  | 有魅力的,<br>好看的        |                       |            |   |
|      |                       |                          | adj. | adj. conventionally proper  | 得体的                 |                       |            |   |
| 1149 | unkempt               | /ʌnˈkɛmpt/               | adj. | adj. not neat or orderly  | 不整洁的,<br>邋遢的        |                       |            |   |
| 1150 | decorous              | /dɛkərəs/                | adj. | adj. correct and polite in a particular situation   | 得体的                 |                       | n. decorum | The children were told to behave decorously at the dinner. A lot of important people were going to be there, so she wanted the children to be polite.   |

| 1199 | veracious                | /vəˈreɪ∫əs/     | adj. | adj. marked by truth   | 真实的,准<br>确的,真诚<br>的     | truth                              | n. veracity                |   |
| 1200 | voracious                | /vɔˈreɪʃəs/     | adj. | adj. excessively eager   | 贪婪的                     |                                    |                            | Annabelle <i>voracious</i> appetite caused her to overeat at every single meal; it seemed like she could not stop eating.   |
|      |                          |                 | adj. | adj. having a huge appetite  | 贪吃的                     | prodigious                         |                            |   |
| 1201 | exploit                  | /sks.plort/     | V.   | v. to make productive use of   | 利用,使用                   |                                    |                            | Although children's books about animals and plants are often rather than accurate in their descriptions, a skillful elementary-school teacher can still <i>exploit</i> such texts for meaningful scientific learning.   |
|      |                          |                 | V.   | v. to make use of meanly or unfairly for one's own advantage   | 剥削                      |                                    |                            |   |
|      |                          |                 | n.   | n. An act or deed, especially a brilliant or heroic one  | 成就                      |                                    |                            |   |
| 1202 | retrofit                 | /retre_fit/     | V.   | v. to provide (something) with new<br>parts that were not available<br>when it was originally built                            | 翻新                      |                                    |                            |   |
| 1203 | witty                    | /wɪti/          | adj. | adj. funny and clever  | 机智幽默的                   |                                    |                            |   |
| 1204 | provocative              | /prəˈvɑkətɪv/   | adj. | adj. causing discussion, thought, argument, etc.   | 引起争论的                   | inflammatory<br>,<br>controversial |                            | Mary's provocative outfit spiked a heated discussion<br>among the family members. The most conservative<br>ones criticized her sexually revealing clothes, while<br>the others did not believe the clothes to be<br>inappropriate at all.   |
|      |                          |                 | adj. | adj. causing excitement  | 刺激的                     |                                    |                            |   |
| 1205 | impecunious<br>assiduous | /ˌɪmpɪˈkjuniəs/ | adj. | adj. having little or no money adj. showing great care, attention, and effort  | 贫穷的<br>努力的              | indigent                           |                            | Bill has received much praise from his supervisors for his assiduousness. He is known for his great care with his work, and for staying positive and determined when facing difficulties.   |
| 1207 | tacit                    | /tæsɪt/         | adj. | adj. expressed or understood without being directly stated   | 不言而喻<br>的,心照不<br>宣的     |                                    |                            | Rose smiled approving but gave neither written nor spoken permission to proceed with the project: her consent, in short, was tacit.   |
| 1208 | transgress               | /træns'grɛs/    | v.   | v. to disobey a command or law   | 违反,违背                   |                                    |                            | Some readers find the crime fiction for Patricia<br>Highsmith to be immoral because her protagonists<br>are not always punished for their <i>transgressions</i> .   |
| 1209 | abstruse                 | /æb'strus/      | adj. | adj. difficult to comprehend   | 难以理解                    | esoteric;<br>arcane;<br>recondite  |                            | Though the principles of the banking trade may appear somewhat <i>abstruse</i> , the practice is capable of being reduced to strict rules.  |
| 1210 | embed                    | /ɛmˈbɛd/        | V.   | v. to place or set (something)<br>firmly in something else / v. to<br>make something an integral part<br>of                    | 嵌入                      |                                    |                            | It can be startling to realize just how <i>embedded</i> in the complex and brutal economy of slavery everyone in Washington was: slavery was not an abstraction in Washington, and the élite white men and women who lived there—whatever their principles, whatever their views—interacted with slaves almost every day. |
| 1211 | render                   | /render/        | V.   | v. to cause (someone or<br>something) to be in a specified<br>condition  | 使…进入某<br>种状态            |                                    |                            |   |
| 1212 | alter                    | /olter/         | V.   | v. to change (something)   | 改变                      |                                    |                            |   |
| 1213 | penchant                 | /ˈpɛntʃənt/     | n.   | n. a strong liking for something or<br>a strong tendency to behave in a<br>certain way   | 倾向                      |                                    |                            | Despite his <b>penchant</b> for rich food, the chef was able to practice austerity when his diet became threatening to his health.  |
| 1214 | tailor                   | /teɪlər/        | V.   | v. to make or change (something)<br>so that it meets a special need or<br>purpose  | 修改                      |                                    |                            |   |
| Ш    |                          |                 | n.   | n.   | 裁缝                      |                                    |                            |   |

| ID   | 英文单词            | 美式音标                  | 词性       | 英文解释  | 中文解释                 | 六选二                   | 相关词                       | 例句  |
|------|-----------------|-----------------------|----------|---|----------------------|-----------------------|---------------------------|---|
| 1215 | homogeneous     | /ˌhoʊmoʊ<br>ˈdʒiniəs/ | adj.     | adj. made up of the same kind of people or things   | 同质化的                 | uniform,<br>unvaried; |                           |   |
| 1216 | immense         | /i'mɛns/              | adj.     | adj. very great in size or amount   | 巨大的                  | resemblance           |                           |   |
| 1217 | kindred         | /kındrıd/             | adj.     | adj. closely related or similar   | 相关的,相似的              | affiliated            |                           |   |
| 1218 | affiliate       | /əˈfɪliˌeɪt/          | V.       | v. to closely connect (something<br>or yourself) with or to something<br>(such as a program or<br>organization) as a member or<br>partner                   | 附属                   | kindred               |                           | Although David looks like a normal person, he is in fact affiliated with a dangerous mafia. This relationship has caused him many problems with the police.   |

| 1221 | oratorical      | /jore/tortkel/        | adj.     | adj. of or relating to the skill or activity of giving speeches   | 口才的                  |                       |                           |   |
| 1222 | incense         | /ɪnˈsɛns/             | V.       | v. to arouse the extreme anger or indignation of  | 激怒                   |                       |                           |   |
| 1223 | mortify         | /mɔrtəˌfaɪ/           | V.       | v. to cause (someone) to feel very<br>embarrassed and foolish   | 使尴尬                  |                       |                           | Kathy was mortified when she found out that her<br>mom had read her diary. Her diary contained<br>embarrassing secrets about her feelings for the boy<br>she liked at school, and she definitely did not want<br>her mother to know                     |
| 1224 | heterodox       | /heterov.daks/        | adj.     | adj. not agreeing with established beliefs or standards   | 异端邪说<br>的,非主流<br>观点的 | iconoclastic          |                           | unorthodox / iconoclastic   |
| 1225 | doctrinaire     | /ˌdaktrɪˈnɛr/         | adj.     | adj. used to describe a person<br>who has very strong beliefs about<br>what should be done and will not<br>change them or accept other<br>people's opinions | 教条的                  |                       |                           |   |
|      |                 |                       | n.       | n. one who attempts to put into<br>effect an abstract doctrine or<br>theory with little or no regard for<br>practical difficulties                          | 教条主义者                |                       |                           |   |
| 1226 | sporadic        | /speˈrædɪk/           | adj.     | adj. occurring occasionally or irregularly  | 不规律的,<br>偶尔的         |                       |                           | Kate would have sporadic flashes of her terrible<br>childhood even as an adult. These flashes would<br>occur at random times whenever she encountered<br>something that triggered a painful memory of her<br>past.                                      |
| 1227 | dictate         | /dɪkˌteɪt/            | V.       | v. to control or command  | 掌控,支配                |                       |                           | Brittany dictated the morning announcements. Every afternoon, Brittany would go into the principal's office and read something into a recorder. The resulting recording would then be played the next morning.  |
| 1228 | buoyant         | /borent/              | adj.     | adj. happy and confident  | 愉悦的                  |                       |                           | Chris Porter's sound and original compositions subtly swing the mood from the <b>buoyant</b> to the menacing.   |
|      |                 |                       | adj.     | adj. able to float or able to cause things to float   | 漂浮的,可<br>浮起来的        |                       |                           |   |
| 1229 | premonitory     | /ˌprɛməˈnɪʃən/        | adj.     | adj. giving warning   | 警告的                  |                       |                           |   |
| 1230 | abreast         | /əˈbrɛst/             | adj.     | adj. up to a particular standard or<br>level especially of knowledge of<br>recent developments  | 与时俱进的                |                       |                           |   |
| 1231 | obstinate       | /abstenet/            | adj.     | adj. refusing to change your behavior or your ideas   | 固执的                  |                       |                           | Blake was obstinate in his decision. He had decided to move to China for a year, and he wasn't going to change his mind.  |
| 1232 | redeem          | /rɪˈdim/              | V.       | v. to atone for   | 赎罪                   |                       |                           |   |
|      |                 |                       | V.       | v. to buy back  | 赎回                   |                       |                           |   |
| 1233 | debacle         | /dɪˈbɑkəl/            | n.       | n. a great disaster   | 大灾难                  |                       |                           |   |
| 1234 | omit            | /oʊˈmɪt/              | n.<br>v. | n.a complete failure  v. to not include or to leave undone  | 省略,忽略                |                       | n. omission               | The book's final chapter on Mildred Imach<br>Cleghorn suffers from an obvious <i>omission</i> :<br>it fails to cover Cleghorn's years as an<br>Apache tribal leader.  |
| 1235 | boon            | /bun/                 | n.       | n. a benefit or advantage   | 好处,                  | benefit               |                           |   |
| 1236 | hidebound       | /haɪdˌbaʊnd/          | adj.     | adj. not willing to accept new or different ideas   | 守旧的                  |                       |                           | Lincoln's political idol, Henry Clay, was himself a man of contradiction: he was a Kentucky slave owner who accepted the <i>hidebound</i> racial views of the time, yet looked forward to a day when the nation's enslaved blacks would be emancipated. |
| 1237 | sullen          | /sʌlən/               | adj.     | adj. dismal and gloomy  | 不高兴的                 | surly                 |                           |   |
|      |                 |                       | adj.     | adj. gray and dark  | 灰暗的                  |                       |                           |   |
| 1238 | prudent         | /prudent/             | adj.     | adj. marked by circumspection   | 谨慎的                  | circumspect           | adj.<br>imprudent<br>不谨慎的 | Farming had been profitable on the Great Plains for many decades, but by 1938 imprudent agricultural practices and years of inadequate precipitation had denuded the land.  |
|      |                 |                       | adj.     | adj. provident or frugal  | 节省的                  | provident             |                           |   |
|      |                 |                       | adj.     | adj. marked by wisdom or judiciousness  | 睿智的,精<br>明的          |                       |                           |   |
| 1239 | juxtapose       | /dʒʌkstəˌpouz/        | V.       | v. to place two or more things side<br>by side  | 并排放置                 |                       |                           | Maxine Hong Kingston's <i>The Woman Warrior</i> juxtapose stories of women who are triumphant and stories of those who are victimized, placing contrasting portraits side by side.  |
| 1240 | noxious         | /nαk∫əs/              | adj.     | adj. harmful to living things   | 有害的                  |                       |                           |   |
|      |                 | •                     |          | •   |                      |                       | •                         | •   |

| ID   | 英文单词           | 美式音标                    | 词性   | 英文解释  | 中文解释                  | 六选二               | 相关词                       | 例句  |

| ID   | 英文单词                  | 美式音标               | 词性         | 英文解释  | 中文解释                       | 六选二         | 相关词                          | 例句   |
|------|-----------------------|--------------------|------------|---|----------------------------|-------------|------------------------------|--|
| 1475 | cantankerous          | /kæn<br>'tæŋkərəs/ | adj.       | adj. often angry and annoyed  | 易怒的                        |             |                              | Although aging brings about profound physiological changes, it does not often alter individual's disposition: an irascible thirty year old will probably still be <i>cantankerous</i> at seventy.  |
| 1476 | escalate              | /ɛskəˌleɪt/        | V.         | v. to become worse or to make<br>(something) worse or more<br>severe                              | 加剧,恶化                      |             |                              | As advocates of free speech confront those who would regulate entertainment strictly, the debate over shocking content in movies will likely <i>escalate</i> .   |
|      |                       |                    | v.         | v. to become greater or higher or<br>to make (something) greater or<br>higher                     | 升高,提升                      |             |                              |  |
| 1477 | bombard               | /bam'bard/         | V.         | v. to hit or attack (something or<br>someone) constantly or<br>repeatedly                         | (如炸弹<br>般)攻击<br>(人或事<br>物) |             |                              | American consumers, <i>bombarded</i> with advertising, medical studies and word-of-mouth wisdom, are buying vitamin and mineral supplements at an unprecedented rate. But they often do not have proper guidance on what to take or how much.  |
| 1478 | vernacular            | /vərˈnækjələr/     | adj.       | adj. of, relating to, or using the<br>language of ordinary speech<br>rather than formal writing   | 口头语的,<br>俗语的               |             |                              | The poet's publisher cautioned her against<br>overusing <b>vernacular</b> language, but the poet<br>preferred the lively, informal dialect of her<br>hometown.   |
| 1479 | prevail               | /priˈveɪl/         | V.         | v. to be usual, common, or popular  | 流行                         |             |                              |  |
| 1480 | scenario              | /səˈnɛriˌoʊ/       | n.         | n.a description of what could possibly happen   | 情形                         |             |                              |  |
| 1481 | hitherto              | /hɪðərtu/          | adv.       | adv. until now  | 至今                         |             |                              |  |
| 1482 | vertiginous           | /vərˈtɪdʒənəs/     | adj.       | adj. causing or likely to cause a<br>feeling of dizziness especially<br>because of great height   | 令人眩晕的                      |             |                              | Climbing the steep mountainside could make even experienced climbers <i>vertiginous</i> ; not surprisingly, June, a novice, felt dizzy while still at the bottom.  |
| 1483 | bravado               | /brəˈvɑdoʊ/        | n.         | n. a pretense of bravery  | 装作勇敢                       |             |                              |  |
|      |                       |                    | n.         | n. the quality or state of being foolhardy  | 莽撞                         |             |                              |  |
| 1484 | steadfast             | /sted.fæst/        | adj.       | adj. firm in belief, determination,<br>or adherence   | 坚定不移的                      |             | adj. mirthful<br>愉快的,欢<br>乐的 | (1) Because Alejandra and Raina have never allowed their differences of opinion to come between them, their friendship remains steadfast. (2) Van Buuren is steadfastly consistent: despite occasionally sampling other genres such as orchestral, minimal and ambient rock, he is a loyal minister of trance. |
| 1485 | oblivious             | /əˈblɪviəs/        | adj.       | adj. not conscious or aware of someone or something   | 无意识的,<br>遗忘的               |             |                              | While most drivers are <i>oblivious</i> to it, cars have contained powerful computers for decades. It's very possible that your Toyota Prius has more code than a Boeing 787 and several operating systems.  |
| 1486 | refractory            | /rɪˈfræktəri/      | adj.       | adj. resisting control or authority   | 不服管的                       |             |                              | The stables had just adopted a new pony, which was extremely refractory. It took the instructor more than a month to train him.  |
|      |                       |                    | adj.       | adj. immune or insusceptible  | 免疫的                        |             |                              |  |
| 1487 | resign                | /rɪˈzaɪn/          | V.         | v. to accept something as inevitable  | 接受                         |             |                              |  |
|      |                       |                    | V.         | v. to give up one's office or position  | 辞职                         |             | n.<br>proscription           | proscriptive / meager  |
| 1488 | abiding               | /əˈbaɪdɪŋ/         | adj.       | adj. continuing for a long time   | 长期的                        |             |                              | Although he began training as an accountant, magic remained his <i>abiding</i> interest and his evenings were spent performing in local variety clubs.   |
| 1489 | dull                  | /dʌl/              | adj.       | adj. not exciting or interesting  | 无聊的                        |             |                              |  |
| 1490 | debenet.              | / dɛbəˈnɛr/        | adj.       | adj. mentally slow adj. lighthearted or nonchalant  | 笨的<br>无忧无虑的                |             |                              |  |
| 1490 | debonair<br>infuriate | /ˌuɛbəˈnɛɪ/        | adj.<br>v. | v. to make (someone) very angry   | 使…愤怒                       |             |                              |  |
| 1492 | crestfallen           | /krɛst fɔlən/      | adj.       | adj. very sad and disappointed  | 沮丧的                        | disgruntle  |                              |  |
| 1493 | wistful               | /wistfəl/          | adj.       | adj. full of yearning or desire<br>tinged with melancholy   | 渴望的,思念<br>过去               |             |                              |  |
| 1494 | concur                | /kənˈkɜr/          | V.         | v. to express agreement   | 同意                         |             |                              |  |
|      |                       |                    | V.         | v. to happen together   | 同时发生                       |             |                              |  |
| 1495 | boast                 | /boʊst/            | V.         | v. speak vaingloriously   | 吹嘘                         |             |                              |  |
| 1496 | extrapolate           | /ɛkˈstræpəˌleɪt/   | v.<br>v.   | v. have or contain  v. to form an opinion or to make an estimate about something from known facts | 拥有<br>(依据已知<br>信息)推测       |             |                              | The researchers thought it was too difficult to extrapolate any conclusions from the data available. The data did not follow any particular pattern, so it was impossible for the researchers to make any judgments.   |
| 1497 | resemble              | /rɪˈzɛmbəl/        | V.         | v. to be like or similar to   | 与相似                        | homogeneity |                              |  |
| 1498 | ordain                | /ɔrˈdeɪn/          | V.         | v. to officially establish or order (something)   | 决定,规定                      |             |                              |  |
|      |                       |                    | V.         | v. to officially make (someone) a<br>minister, priest, rabbi, etc.                                | (神职) 任<br>命                |             |                              |  |
| 1499 | mirth                 | /mɜrθ/             | n.         | n. happiness and laughter   | 欢乐                         |             |                              |  |
| 1500 | jovial                | /d3ooviel/         | adj.       | adj. full of happiness and joy  | 高兴                         | mirthful    |                              | The teacher unabashedly used <i>cajolery</i> ,   |
| 1501 | cajole                | /kəˈdʒoʊl/         | V.         | v. to persuade with flattery or<br>gentle urging especially in the<br>face of reluctance          | 哄骗                         | coax        |                              | flattering his students in an attempt to<br>persuade them into undertaking research<br>projects for extra credit.  |
| 1502 | baneful               | /beɪnfəl/          | adj.       | adj. seriously harmful  | 有害的                        |             |                              |  |

| ID   | 英文单词          | 美式音标                   | 词性   | 英文解释   | 中文解释                   | 六选二       | 相关词             | 例句   |
|------|---------------|------------------------|------|--|------------------------|-----------|-----------------|--|
| 1503 | identical     | /aɪˈdɛntɪkəl/          | adj. | adj. exactly the same  | 完全一样的                  |           |                 | The highly detailed model of the ship looked identical to the actual ship in all but size.   |
| 1504 | proscribe     | /proʊˈskraɪb/          | V.   | v. to not allow  | 禁止                     | forbid    |                 | Seeking to govern what people view and read by determining what art and literature should be available, censorship laws directly <i>proscribe</i> free expression.                             |
| 1505 | arguably      | /argjuəbli/            | adv. | adv. it can be argued  | 可以这样说<br>地             |           |                 |  |

|      |               |                 | v.   | v. to make (something) perfect or complete   | 圆满完成            |                         |  |  |
| 1564 | like-minded   | /laɪkˌmaɪndɪd/  | adj. | adj. having similar opinions and interests   | 思维相似的,想法—<br>致的 |                         |  | Correlation between news and editorial points of view in a media outlet can occur without any conspiracy between the news and editorial departments. All that is needed is a tendency ( even in unconscious one) for owners and publishers to hire and retain <i>like-minded</i> employees in both realms. |
| 1565 | ecumenical    | /ˌɛkjuˈmɛnɪkəl/ | adj. | adj. involving people or things<br>from different kind; of worldwide<br>scope or applicability         | 多元的; 普<br>遍的    |                         |  | The Camp board of directors is <b>ecumenical</b> and composed of representation from throughout Northern Indiana.  |
| 1566 | ardent        | /ardənt/        | adj. | adj. characterized by warmth of<br>feeling typically expressed in<br>eager zealous support or activity | 热衷的,热<br>情的     |                         |  | Martin Luther King's speech was an ardent defense<br>of peace and freedom. His passionate talk inspired<br>millions of other people to fight for freedom and<br>acceptance.  |
| 1567 | rescind       | /rrˈsɪnd/       | V.   | v. to end (a law, contract,<br>agreement, etc.) officially   | 废除 (法<br>律)     |                         |  | Lawmakers are considering legislation to <b>rescind</b> sales tax on tampons and other feminine hygiene products, because they believe to tax these indispensable products is a fundamental inequality,  |
| 1568 | distend       | /dɪˈstɛnd/      | V.   | v. to become larger and rounder<br>because of pressure from inside                                     | 膨胀              |                         |  | Rob's belly distended slowly but surely throughout<br>the dinner. By the end of the meal, the large amount<br>of food that Rob had eaten pushed his stomach out<br>considerably.   |
| 1569 | self-regard   | /sɛlfnˈgard/    | n.   | n. regard for or consideration of oneself or one's own interests                                       | 自私自利            |                         |  |  |
| 1570 | subterfuge    | /sʌbtərˌfjudʒ/  | n.   | n. the use of tricks especially to hide, avoid, or get something                                       | 诡计              | chicanery               |  | Her eyes have a limpid clarity that suggests no<br>subterfuge.   |
| 1571 | agglomerate   | /əˈglɑmərˌeɪt/  | V.   | v. to gather into a ball, mass, or cluster   | 聚集              |                         |  |  |
| 1572 | goad          | /goʊd/          | V.   | v. to urge or force (someone) to<br>do something   | 刺激              |                         |  | If you are giving a presentation, <i>goad</i> the audience onto your side by telling them what they want to hear.  |
| 1573 | surfeit       | /sarfit/        | n.   | n. an amount that is too much or<br>more than you need   | 过量              | glut,<br>plethora       |  |  |
| 1574 | transitory    | /trænseˌtɔri/   | adj. | adj. lasting only for a short time   | 短暂的             | ephemeral               |  | Vernal pools are among the most <i>transitory</i> of ponds: they form as a result of snowmelt and a high water table in winter, and then they evaporate by late summer.  |
| 1575 | prolix        | /proʊˈlɪks/     | adj. | adj. using too many words  | 冗长的             | verbose,<br>long-winded |  |  |
| 1576 | exactitude    | /ɛgˈzæktəˌtud/  | n.   | n. the quality or state of being accurate and correct  | 准确              |                         |  | Seymour worked with exhaustive, almost<br>crushing, thoroughness: every step of the<br>complex project was carried out with<br>unremitting exactitude.   |
| 1577 | chastise      | /t∫æs'taɪz/     | V.   | v. to criticize (someone) harshly<br>for doing something wrong   | 谴责              | castigate               |  | Mary was chastised for dropping her entire dinner on the ground. Her mother told her angrily to be more careful and to clean up her mess.  |
| 1578 | protract      | /proʊˈtrækt/    | V.   | v. to prolong in time or space   | 延长              |                         |  | The President needed to be careful. He knew that one wrong move would cause the war to continue on for many more months. He did not want to protract the war.  |
| 1579 | stymie        | /starmi/        | V.   | v. to present an obstacle to   | 阻碍              |                         |  | It does really <b>stymie</b> an investigation when a victim refuses to provide any details.  |
| 1580 | seminal       | /sɛmənəl/       | adj. | adj. very important and influential  | 非常有影响<br>力的     |                         |  | Although Daubigny was a <b>seminal</b> influence on<br>Impressionist painters, his role has largely been<br>overlooked.  |
| 1581 | authoritarian | /eˈdɔrəˈtɛriən/ | adj. | adj. expecting or requiring people to obey rules or laws   | 专制的             |                         |  |  |

| ID   | 英文单词              | 美式音标                      | 词性   | 英文解释  | 中文解释           | 六选二         | 相关词             | 例句  |
|------|-------------------|---------------------------|------|---|----------------|-------------|-----------------|---|
| 1582 | leap              | /lip/                     | v.   | v. to pass abruptly from one state or topic to another                                    | (话题、言论)跳跃      |             |                 |   |
|      |                   |                           | V.   | v. to jump from a surface   | 跳跃             |             |                 |   |
| 1583 | tepid             | /tepid/                   | adj. | adj. not energetic or excited   | 冷淡的,不<br>热情的   |             |                 | (1) The proposal drew a <i>tepid</i> response from the committee, eliciting no opposition but little enthusiasm. (2) The book was published in July and immediately leapt to the top of the fiction best-seller lists, despite <i>tepid</i> reviews.                                |
| 1584 | malodor           | /mæl'ouder/               | n.   | n. an offensive odor  | 恶臭             | noisome     |                 | Stinkbugs, as their name suggests, are capable of secreting a <i>malodorous</i> chemical to ward off predators.   |
| 1585 | senescence        |                           | n.   | n. the state of being old or the process of becoming old                                  | 衰老             | decrepitude |                 | Memory loss is an agonizing consequence of<br>senescence and is possibly related to loss of<br>cholinergic cells.   |
| 1586 | decrepitude       | /diˈkrɛpəˌtud/            | n.   | n. the state of being old and in<br>bad condition or poor health                          | 衰老             | senescence  |                 |   |
| 1587 | self-styled       | /sɛlfˈstaɪld/             | adj. | adj. called a particular thing by yourself  | 自称的            |             |                 |   |
| 1588 | cognizant         | /kagnəzənt/               | adj. | adj. aware of something   | 知道的,有意识的       |             |                 | Many people surely felt confused about him, not cognizant of the changes taking place in his world, and unaware of the conflicts in such a younger man.   |
| 1589 | conversant        | /kənˈvɜrsənt/             | adj. | adj. having knowledge or<br>experience  | 熟悉的            |             |                 | Although Chinese director Jia Zhangke is obviously<br>conversant with the European art film — and East<br>Asian cinema and Hollywood and so forth — he has<br>carved out his own ways of making cinematic<br>meaning, an approach that draws on different idioms<br>and traditions. |
| 1590 | tribulation       | /ˌtrɪbjəˈleɪ∫ən/          | n.   | n. unhappiness, pain, or suffering<br>or an experience that causes<br>someone to suffer   | 痛苦(的经<br>历)    |             |                 |   |
| 1591 | open-ended        | /oupen'endid/             | adj. | adj. allowing people to talk in a<br>way that is not planned or<br>controlled             | 开放的            |             |                 |   |
| 1592 | falsify           | /folse,faɪ/               | V.   | v. to change (something) in order<br>to make people believe<br>something that is not true | 篡改,伪造          |             |                 |   |
| 1593 | panorama          | /ˌpænəˈræmə/              | n.   | n. a comprehensive presentation of a subject  | 全面展示           |             |                 |   |
|      |                   |                           | n.   | n. a full and wide view of something  | 全景             |             |                 |   |
| 1594 | beleaguer         | /biˈligər/                | V.   | v. besiege  | 围困,围攻          |             |                 | The success of the space program came as a pleasant surprise to a nation that had been beleaguered by political turmoil and social unrest.  |
|      |                   |                           | V.   | v. trouble or harass  | 骚扰             |             |                 |   |
| 1595 | incumbent         | /ɪnˈkʌmbənt/              | n.   | n. one that occupies a particular position or place                                       | 在职官员           |             |                 |   |
|      |                   |                           | adj. | adj. obligatory   | 义不容辞,<br>有责任的  |             |                 |   |
| 1596 | hermetic          | /hərˈmɛtɪk/               | adj. | adj. closed tightly so that no air can go in or out                                       | 密闭的            |             |                 |   |
|      |                   |                           | adj. | adj. relating to or characterized by occultism or abstruseness                            | 难懂的            |             |                 |   |
|      |                   |                           | adj. | adj. recluse or solitary  | 退隐的,孤<br>寂的    |             |                 |   |
| 1597 | encapsulate       | /ɛnˈkæpsəˌleɪt/           | V.   | v. to show or express the main<br>idea or quality of (something) in a<br>brief way        | 简要概括           |             |                 | Although the essay David wrote was very long, the conclusion was encapsulated in just a paragraph.  |
|      |                   |                           | V.   | v. to enclose in or as if in a capsule  | (如胶囊一<br>样) 封装 |             |                 |   |
| 1598 | interdisciplinary | /ˌɪntərˈdɪsəplɪ<br>ˌnɛri/ | adj. | adj. involving two or more<br>disciplines   | 交叉学科的          |             |                 | NASA engineer Gloria Yamauchi uses an<br>interdisciplinary approach to research, in<br>that it draws on physics, aerodynamics,<br>mathematics, and other fields.  |
| 1599 | impunity          | /ɪmˈpjunɪti/              | V.   | v. freedom from punishment,<br>harm, or loss  | 免于处罚,<br>免罪    |             |                 | The manager felt that she could say anything that she wanted with impunity. She was wrong though. Several of her team members reported her bad attitude to the head of the department.  |
| 1600 | reprisal          | /rɪˈpraɪzəl/              | n.   | n. a retaliatory act  | 报复             |             |                 |   |
| 1601 | myopic            |                           | adj. | adj. a lack of foresight or<br>discernment  | 缺乏远见的          |             | myopia n.<br>近视 | De Grey is openly unconcerned with the larger context of his work, and in his <i>myopia</i> he comes to reflect the best and worst of scientific practice: imagination detached from broader social and ethical considerations.   |
| 1602 | tarnish           | /tarnɪʃ/                  | V.   | v. to damage or ruin the good<br>quality of   | 玷污             |             |                 | Grandma left her silverware exposed to air and moisture for too long. Silver tarnishes easily, so now all of her precious silver cutlery is covered in rust.  |
| 1603 | sublime           | /səˈblaɪm/                | V.   | v. to convert (something inferior) into something of higher worth                         | 升华,精<br>炼,     |             |                 | When Isabelle stepped into the beautiful cathedral, she became overwhelmed with emotional awe and wonder. The wonderful harmony of color and architecture was absolutely sublime.   |
|      |                   |                           | V.   | v. to pass directly from the solid to the vapor state                                     | <物理现象><br>升华   |             |                 |   |
|      |                   |                           | adj. | adj. complete or extreme  | 极端的,完<br>全的    |             |                 |   |

| ID   | 英文单词           | 美式音标                   | 词性   | 英文解释   | 中文解释                        | 六选二                     | 相关词                     | 例句   |
|------|----------------|------------------------|------|--|-----------------------------|-------------------------|-------------------------|--|
|      |                |                        | adj. | adj. very beautiful or good and causing strong feelings of admiration or wonder                    | 壮丽的                         |                         |                         | Much of this author's work, unfortunately, is uneven with a mediocre chapter often immediately following a <i>sublime</i> one.   |
| 1604 | remonstrate    | /rr'man strent/        | V.   | v. to present and urge reasons in opposition   | 反对, 抗议                      |                         |                         | a <b>sublime</b> one.  |
| 1605 | commiserate    | /kəˈmɪzərˌeɪt/         | V.   | v. to express sadness or<br>sympathy for someone who has<br>experienced something<br>unpleasant    | 哀悼,同情                       |                         |                         |  |
| 1606 | expostulate    | /ɛkˈspɑst∫ə<br>ˌleɪt/  | V.   | v. to disagree with something or argue against it  | 争论,反驳                       |                         |                         | In America, the Democratic Party always<br>expostulates with the Republican Party. They cannot<br>agree on anything because they support a different<br>way of running the economy.  |
| 1607 | anneal         | /əˈnil/                | V.   | v. strengthen or toughen   | 加固                          |                         |                         |  |
| 1608 | vicissitude    | /vrˈsɪsəˌtud/          | n.   | n. the quality or state of being changeable  | 变迁,变化                       |                         |                         |  |
| 1609 | piecemeal      | /pis <sub>.</sub> mil/ | adv. | adv. in pieces or fragments  | 细碎的,零<br>散的                 |                         |                         |  |
|      |                |                        | adj. | adj. done or made in a gradual way in a series of separate steps                                   | 逐渐的,一<br>点一点完成<br>的         |                         |                         |  |
| 1610 | verbose        | /vərˈboʊs/             | adj. | adj. using more words than are needed  | 冗长的                         | prolix, long-<br>winded | n. verbosity            | It is Hardy's most verbose novel, which may have<br>something to do with his idealization of its main<br>character: too much fine writing and too many long<br>sections can kill a story.  |
| 1611 | polyglot       | /pali,glat/            | adj. | adj. knowing or using several<br>languages   | 多语的                         |                         |                         |  |
|      |                |                        | adj. | adj. made up of people or things<br>from different cultures, countries,<br>etc.                    | 混杂的,大<br>熔炉的                |                         |                         |  |
| 1612 | pacifistic     |                        | adj. | adj. strongly and actively opposed to conflict and especially war                                  | 反对战争<br>的,爱好和<br>平的         |                         |                         |  |

|------|---------------|-----------------------|------|---|-------|---------------------------|-------------------|--|
| 1655 | analogy       | /əˈnælədʒi/           | n.   | n. a comparison of two things<br>based on their being alike in<br>some way                                      | 类比,比较 | comparison                |                   |  |
| 1656 | reluctant     | /rɪˈlʌktənt/          | adj. | adj. feeling or showing doubt<br>about doing something : not<br>willing or eager to do something                | 不情愿的  | loath;<br>unwillingly     | reluctantly       |  |
| 1657 | supple        | /sʌpəl/               | adj. | adj. readily adaptable or responsive to new situations  | 灵活的   | flexible                  |                   |  |
| 1658 | contravene    | /ˌkɑntrəˈvin/         | V.   | v. to fail to do what is required by<br>(a law or rule)   | 违反    | violate                   |                   | (1) Providing military aid to illegitimate organizations contravenes the principles of international law: we should back only legal government entities. (2) Totalitarianism contravenes human nature and human ideals. The history of totalitarianism is one characterized by the state's continuous attempts to destroy individual memories. |
| 1659 | ungainly      | /ʌnˈgeɪnli/           | adj. | adj. moving in an awkward or<br>clumsy way : not graceful   | 笨拙的   | awkward                   |                   |  |
| 1660 | ludicrous     | /ludɪkrəs/            | adj. | adj. amusing or laughable through<br>obvious absurdity, incongruity,<br>exaggeration, or eccentricity           | 滑稽可笑的 | risible                   |                   | Dan's ludicrous idea got us into a lot of trouble. To<br>be honest, I have no idea why I agreed to participate<br>in his foolish plan.   |
| 1661 | dispatch      | /drˈspæt∫/            | n.   | n. promptness and efficiency in performance or transmission   | 迅速    | celerity                  |                   | Recognizing that time was a critical factor, the paramedics responded to the call with dispatch.   |
| 1662 | handicap      | /hændiˌkæp/           | n.   | n. a disadvantage that makes achievement unusually difficult  | 障碍    | hindrance                 |                   | Emily always believed that her inability to drive was<br>something of a handicap, because she needed to<br>rely on the inefficient public transportation system to<br>get around the city.   |
| 1663 | chimera       | /karˈmɪrə/            | n.   | n. something that exists only in<br>the imagination and is not<br>possible in reality                           | 幻想    | illusion                  |                   | (1) Without freedom, particularly freedom of expression, democracy is a <i>chimera</i> . (2) Most academic and industry experts agree that an Al comparable to the intelligence of a typical adult — technology that can learn, infer and generalize in the way we do every day—remains a <i>chimera</i> .                                     |
| 1664 | ominous       | /amənəs/              |      | adj. suggesting that something bad is going to happen in the future   | 不吉利的  | inauspicious              |                   |  |
| 1665 | limpid        | /limpid/              | adj. | adj. marked by transparency : pellucid  | 清澈透明的 | pellucid                  |                   |  |
| 1666 | forsake       | /fɔrˈseɪk/            | V.   | v. to give up or leave (someone or something) entirely  | 放弃    | neglect                   |                   | Muhammad is a devout Muslim and promised he<br>would never forsake his religion. He believes that<br>giving up his religion would be disgraceful to his<br>family and community.   |
| 1667 | exonerate     | /ɛgˈzɑnərˌeɪt/        | V.   | v. to prove that someone is not<br>guilty of a crime or responsible for<br>a problem, bad situation, etc.       | 免罪,免责 | absolve                   | n.<br>exoneration | Once the principal realized that the fire alarm had been set off by accident, she apologized to the suspected students and announced that they had been <i>exonerated</i> .  |
| 1668 | annihilate    | /əˈnaɪəˌleɪt/         | V.   | v. to destroy (something or someone) completely   | 毁灭,毁坏 | destroy                   |                   |  |
| 1669 | surmise       | /sərˈmaɪz/            | v.   | v. a thought or idea based on<br>scanty evidence : conjecture   | 猜测    | infer                     |                   | The paucity of autobiographical documents<br>left by the royal attendants has compelled<br>historian Raul Salazar to surmise the<br>motives of these courtiers from their deeds<br>rather than from any diaries or<br>correspondence.  |
| 1670 | rapprochement | /ˌræproʊʃˈmɑn/        |      | n. the development of friendlier<br>relations between countries or<br>groups of people who have been<br>enemies | 友好,和谐 | reconciliatio<br>n        |                   | The two pandas Mrs. Nixon greeted were a high-<br>profile symbol of diplomatic rapprochement<br>between the United States and China, brokered<br>under her husband's administration.   |
| 1671 | exert         | /ɛgˈzɜrt/c            | V.   | v. to use (strength, ability, etc.)   | 使用    | wield                     |                   |  |
| 1672 | wield         | /wild/                | V.   | v. to have and use (power, influence, etc.)   | 使用    | exert                     |                   | A gang of thieves entered the bank wielding<br>different kinds of weapons; the leader was holding a<br>shotgun, while the other members were either<br>holding a pistol or a knife.  |
| 1673 | guzzle        | /gʌzəl/               | V.   | v. to drink (something, such as<br>beer or liquor) quickly or in large<br>amounts                               | 狂饮    | swill                     |                   |  |
| 1674 | kinfolk       | /kɪnˌfoʊk/            | n.   | n. a person's relatives   | 亲戚    | relative                  |                   | In his case, with Dudolfs Angue shi up to  |
| 1675 | divergent     | /dəˈvɜrdʒənt/         | adj. | adj. differing from each other or<br>from a standard  | 不同的   | incongruous,<br>disparate |                   | In his essay, writer Rudolfo Anaya strives to<br>synthesize his sometimes incongruous<br>Mexican and American identities by<br>combining <i>divergent</i> worldviews to create<br>one unique vision.   |
| 1676 | vestige       | /vestɪdʒ/             | n.   | n. the last small part that remains of something that existed before  | 遗迹,遗留 | relic                     |                   | The kiwi bird's wings are <i>vestigial</i> : that is, they are rudiments of wings and serve no function.   |
| 1677 | profusion     | /proʊˈfjuʒən/         | n.   | n. a large amount of something  | 大量    | wealth                    |                   | Despite the <i>profusion</i> of books written about<br>Greta Garbo, she ultimately remains an<br>enigma, an inscrutable personality.   |
| 1678 | forebode      | /for'bood/            | V.   | v. to have an inward conviction of<br>(as coming ill or misfortune)   | 担忧    | concern                   |                   |  |
|      |               |                       | V.   | v. foretell, portend  | 预示    |                           |                   |  |
| 1679 | calamity      | /kəˈlæməti/           | n.   | n. an event that causes great<br>harm and suffering   | 大灾难   | disaster,<br>catastrophic | calamitous        | As <i>calamitous</i> as the disintegration of the Roman Empire must have seemed, that disaster nevertheless presented some constructive aspects.   |
| 1680 | beget         | /biˈgɛt/              | V.   | v. to cause (something) to happen<br>or exist   | 导致    | create                    |                   |  |
| 1681 | reprehensible | /ˌrɛprɪ<br>ˈhɛnsəbəl/ | adj. | adj. very bad : deserving very strong criticism   | 应受指责的 | deplorable                | v.<br>reprehend   | Greg's reprehensible actions upset his wife. She felt that he needed to be punished for what he had done.  |
| 1682 | divest        | /dəˈvɛst/             | V.   | v. to deprive or dispossess<br>especially of property, authority, or<br>title                                   | 剥夺    | strip                     |                   |  |

| ID   | 英文单词           | 美式音标       | 词性       | 英文解释  | 中文解释                    | 六选二                | 相关词               | 例句  |
|------|----------------|------------|----------|---|-------------------------|--------------------|-------------------|---|
| 1924 | abhor          | /æb'hor/   | v.       | v. to dislike very much   | 厌恶                      |                    | adj.<br>abhorrent | Like many unions, the United Steelworkers <b>abhor</b> two-tier contracts, convinced that they sell out future generations and sow tensions between older and younger workers.  |
| 1925 | prone          | /proʊn/    | adj.     | adj. having a tendency or inclination   | 有倾向的                    |                    |                   | Women are obviously more prone to getting breast cancer than men are.   |
| 1926 | usurp          | /juˈsɜrp/  | V.       | v. to seize and hold in possession<br>by force without right                                    | 篡夺                      |                    |                   | The Ottoman Empire usurped the Byzantine Empire in 1453. In that year, the army of the Ottoman empire entered the Byzantine Capital and conquered it, officially taking control.  |
| 1927 | pithy          | /pɪθi/     | adj.     | adj. forceful and brief   | 简洁有力的                   |                    | n. pith           | Only three minutes long, Lincoln's Gettysburg Address achieved more through its <i>pithiness</i> than did the two-hour oration that preceded it.  |
| 1928 | tonic          | /tanık/    | adj.     | adj. restorative or stimulating to<br>health or well-being                                      | 有益健康                    | restorative        |                   |   |
| 1929 | niche          | /nɪtʃ/     | n.       | n. a special area of demand for a product or service  | 小众市场                    |                    |                   |   |
|      |                |            | n.       | n. a situation or activity specially<br>suited to a person's interests,<br>abilities, or nature | 称心如意的<br>活动、工作<br>等     |                    |                   |   |
| 1930 | trite          | /traɪt/    | adj.     | adj. not evoking interest because of overuse or repetition                                      | 陈词滥调的                   |                    |                   | The Earth revolves around the Sun. This idea might now seem obvious and trite, but when Galileo thought of it no one believed him.  |
| 1931 | stoic          | /stourk/   | adj.     | adj. seemingly indifferent to or<br>unaffected by pleasure or pain                              | 不受悲喜干<br>扰的             |                    |                   |   |
| 1932 | murky          | /mɜrki/    | adj.     | adj. dark or dim  | 昏暗的                     |                    |                   |   |
|      |                |            | adj.     | adj. not clearly known,<br>understood, or expressed   | 难懂的,不清<br>晰的            |                    |                   |   |
| 1933 | blunt          | /blʌnt/    | adj.     | adj. saying or expressing<br>something in a very direct way<br>that may upset some people       | 说话过于直<br>白的             |                    |                   |   |
|      |                |            | adj.     | adj. obtuse in understanding or discernment   | 反映迟钝的                   |                    |                   |   |
|      |                |            | adj.     | adj. having an edge or point that is not sharp  | 不锋利的                    |                    |                   |   |
| 1934 | flout          | /flaot/    | V.       | v. to treat with contemptuous<br>disregard  | 蔑视,鄙视                   | disregard,<br>defy |                   | Jacob constantly flouted the law. He usually drove around without wearing a seatbelt. He was also seen texting while driving time and time again.   |
| 1935 | rue            | /ru/       | n.       | n. regret, sorrow   | 后悔                      |                    |                   |   |
| 1936 | shun           | /ʃʌn/      | V.       | v. to avoid   | 躲避                      | eschew             |                   | Native American potters often shun the shortcuts<br>offered by modern technology (such as the use of<br>commercial clay, pigments, or kiln firing), instead<br>adhering to the traditional methods of their<br>ancestors. |
| 1937 | crass          | /kræs/     | adj.     | adj. so crude and unrefined as to be lacking in discrimination and sensibility                  | 粗鲁的                     |                    |                   |   |
|      |                |            | adj.     | adj. used as a pejorative<br>intensifier  | (用于贬义<br>词加强语气<br>的)非常的 |                    |                   |   |
| 1938 | apt            | /æpt/      | adj.     | adj. exactly suitable   | 合适的                     |                    | n. aptitutde      | Place-names can be strikingly <i>inapt</i> : there is, for example, nothing particularly odd about the town of Peculiar, Missouri.  |
|      |                |            | adj.     | adj. having a natural tendency  | 有倾向的                    |                    |                   |   |
|      |                |            | adj.     | adj. quick to learn or understand   | 聪明的,灵<br>巧的             |                    |                   |   |
| 1939 | hone           | /hoʊn/     | v.       | v. to perfect or make more intense or effective   | 磨炼 (技能)                 | enhance            |                   |   |
| 1940 | veto           | /vitoʊ/    | V.       | v. to reject (a proposed law) officialy   | 否决                      |                    |                   |   |
| 1941 | blur           | /blar/     | V.       | v. to make (something) unclear or difficult to see or remember                                  | 使…模糊不<br>清              |                    |                   |   |
| 1942 | verge          | /vɜrdʒ/    | n.       | n. an area along the edge of a road, path, etc.   | 边缘                      |                    |                   |   |
|      |                |            | n.       | n. brink or threshold   | 临界点                     |                    |                   |   |
| 1943 | swift          | /swrft/    | adj.     | adj. happening or done quickly or immediately   | 快速的                     |                    |                   |   |
|      |                |            | adj.     | adj. smart or intelligent   | 反应灵敏的                   |                    |                   |   |
| 1944 | sever          | /sever/    | V.       | v. to divide into parts   | 打碎,分裂                   |                    |                   |   |
| 1945 | ovtol          | /ɛkˈstoʊl/ | V.<br>V. | v. to cut off (a part) from a whole v. to praise highly   | 切掉<br>赞美                |                    |                   |   |
| 1945 | extol<br>exalt | /eg'zolt/  | v.<br>v. | v. to praise nignly   | 赞美                      | valorize           |                   | The speech exalted the president's achievements.  Not only did it mention his roles in preventing several major wars, it also praised him for significantly reducing the country's unemployment rate.                     |
|      |                |            | V.       | v. to raise in rank, character, or status   | 提升                      |                    |                   | <u> </u>  |
| 1947 | tweak          | /twik/     | V.       | v. to twist sharply   | 拧                       |                    |                   |   |
|      |                |            | v.       | v. to make usually small adjustments in   | 略微调整                    |                    |                   |   |
